THE CLASS

The senior class of 1938, consisting of 17 members, is well represented in the various school activities. Jay Christensen, Glenn Carlson, Herbert Hansen, and Emmert James have starred on the basketball and baseball teams.

A large majority of the class participates in the musical divisions. Margaret Sorensen and Olivia Jensen are members of the girls' sextette.

The seniors are justly proud of the fact that one member, Norman Krogstad, won a superior rating in both the sub-district and district Baritone Euphonium solo contests.

While the class of '38 may not be classed as exceedingly outstanding, some members have done more for activities than any other alumni class.

To all schoolmates, the class of 1938 bids a cheerful farewell, and a wish that the under-classmen may carry on the school spirit as well as or better than they have.

QUANTITY, OF COURSE; BUT E. H.

H. S. ALSO BOASTS OF QUALITY

Shown above is the faculty and student body of the Elk Horn High School. 89 students were enrolled this year, a number far above the average enrollment of the past few years. There were 17 seniors, 32 juniors, 13 sophomores, and 27 freshmen. Junior High claims 20.

E. H. H. S. students have well represented the school in various baseball, basketball, and music contests during the year.

CHESTER ROLLS ALONG

ACTIVITIES

From a class of 31 last year, the class has increased to 33 despite the fact that four have left us, namely, Annabel Andersen, Fern Clausen, Glenn Larsen, and Ethel Sorensen. Six new members: Elaine Andersen, Edythe Ledet, Ralph Mathiesen, Esther Pedersen, Ermelin Simonsen, and Doris Twenstrup joined.

The class is well represented in the various activities. Jerold Jorgensen, Kenneth Larsen, and Emery Iversen are members of the basketball first team. The same three, Donald Hansen, and Ralph Mathiesen represent the class in baseball.

A large number of the class take part in the musical organizations. Esther Pedersen, Doris Esbeck, and Nina Mae Petersen are members of the sextette. Most of the girls are members of the Girls' Glee Club, and a large part of the class is in the Orchestra.

Most of the class has been included in the two Junior plays that have been presented.

The class boasts both of quantity and quality and therefore is expecting and hopes to have a very prosperous Senior year.

ACTIVITIES

The Sophomore Class of 1938 hopes that 13 isn't an unlucky number for that is its enrollment. Since 1936-'37 the class has lost two members, Phyllis Parker and Clarence Wested.

Although the smallest class in high school the sophomores are "right there" in various activities. Walter Andersen, Elaine Johnson, Goldie Krogstad, Honor Lykke, and Daniel Olsen are members of the school orchestra. Elaine Johnson, Honor Lykke, Helen Petersen and Daniel Olsen belong to the Girls' and Boys' Glee Clubs, respectively. Elaine Johnson, Honor Lykke and Daniel Olsen have been members of the Orange Quill staff. Daniel Olsen is the lone baseball-basketball star of the class. The G. A. A. claims all the girls as members.

Music Division

Music holds a very important place in our world today. Think how queer and dull the world would be without it! Imagine a parade without music or going to church without singing hymns. If music were to disappear, I'm sure that all of would realize that something beautiful had been taken from us—something which we would miss every day of our lives.

Music not only enables us to play and sing the works of the masters, but it teaches us, through our own endeavors in music, to listen intelligently to others.

It does not matter whether or not we attain great things in music. We need not become famous musicians in order to enjoy music and benefit from it, for on music's pathway we will find much to enrich our store of happiness.

Therefore the benefits of a musical education in high school are twofold: to teach pupils to appreciate music and to listen intelligently to others.

MERIT SYSTEM

In order to be entitled to a letter in music, the student must earn a thousand points during the year. These points are obtained as follows:

1. Lead in operetta, 100 points; other parts, not speaking parts, 50 points.
2. Membership in an organization, 100 points. This includes credit for attending rehearsals.
3. Solo performance, not in operetta, 50 points.
4. Group performance, 25 points.
5. Entrance in a contest, 50 points per event.
6. Superior rating in contest, 100 points, excellent rating, 50 points.
7. The supervisor will give the number of points for extra musical accomplishments such as transposing.
8. Secretary and accompanist for any organization, 150 points each semester.

STORY OF THE OPERETTA

Tom Long, his sister Peggie, and Bill Wood, have been sent to Japan to introduce Long's Life-Time Suspenders to the Japanese. Unable to obtain the necessary stamp, "Made in Japan," from Hirohito, Lord Keeper of the Seal, Tom tries another plan of attack by securing an introduction to Hirohito's daughter, Hanano. Tom and Hanano fall in love despite the fact that Hanano is to marry the elderly Prince Matsuo for reasons of state.

Tom is sent to the dungeon on the evening of the wedding for seeing Hanano against Hirohito's orders. Bill, assisted by Toshi, succeeds in having Tom brought before Hirohito. At this time, Manyemon, a fortune teller, reveals that Hanano is not the daughter of Hirohito but is the daughter of an American missionary who was killed years ago. After admitting the truth and releasing Tom, Hirohito gives the two young people his blessing and stamps the suspenders.

Bill suggests a double wedding in which he and Peggie will play an important part.

Drama Department

The aim behind the Drama movement in our high school is to develop poise and self control which is mainly achieved by actual appearance before an audience.

The drama section this year has been chiefly under the leadership of Miss Wescott, who directed the first Junior play and the Senior play. Miss Nielsen also had an important part, producing the second Junior play, "Mistakes at the Blakes."

Through the patient work of these two teachers the pupils of the high school have entertained and been entertained very successfully during the past year and we all hope they will keep up the good work.

The Girls' Athletic Association is an organization for promoting good sportsmanship and an interest in athletics among the girls.

During the past two years the organization has branched out to include ways of bettering health and developing personality.

The program for '37 and '38 included talks by Dr. James on "Venereal Diseases," by Dr. Stiles on "The care of the Teeth," and by Mrs. E. J. Carstensen, R. N., on "Personal Hygiene."

The G. A. A. is now in its fifth year and has proved very successful. Last year only two girls earned letters. They were Annabel Andersen and Eleanor Stiles.

JUNIORS vs. KIMBALLTON

After winning the class basketball tournament the Juniors were challenged by the Kimballton team, but proved too much for the challengers as the Juniors over-rode Kimballton by a score of 48-14. On the same night the E. H. Junior High was challenged by the Kimballton Vikings and again the E. H. team proved too much for the challengers as E. H. won 7-4. Lack of experience and height was the reason for the low score.

Baseball

FALL BASEBALL SEASON OF 1937

The E. H. Danes broke even in baseball last fall, losing three and winning three games. Kirkman and Exira were both beaten by the Danes the first time they tangled but defeated E. H. in the return engagements. Irwin, however chose to defeat E. H. in the first game and E. H. got revenge in the second game. The defeat handed to E. H. by Exira was excusable as three of their players were unavailable for that game. The defeat Kirkman gave to us was not excusable however, as the entire lineup was playing but for some unknown reason the determined Kirkman team plodded on to defeat us in the last game of the season. Rain which fell throughout the game made it hard for the pitchers to click.

SEASON GAMES

Elk Horn again boasts of a strong baseball team in the spring season. Sixteen fighting Danes reported regularly for practice with the County Tourney in mind. The newly organized Harlan team was the first victim of a score of 4-0. Elk Horn met defeat in the next two games when the strong Exira nine trounced the Danes both at Elk Horn and at Exira. The first game went to extra innings but in the second game Exira easily downed the Danes. The next victory for Elk Horn was rather considered an upset as Elk Horn took Irwin 4-5.

COUNTY TOURNAMENT

For the third consecutive year Elk Horn copped the Shelby County Baseball tournament. It was a very hard-fought tourney, the final game going ten innings. In the first game Irwin easily downed Tennant. Harlan took Shelby and the Danes crushed the hard fighting Defiance nine. In the second round Irwin beat Kirkman and Elk Horn spilled Harlan. The final game was the best game of the tourney. It took ten innings for the Danes to conquer Irwin. Elk Horn led by at least one run the entire game until the seventh, when Irwin tallied to tie the score. It was a see-saw battle from the seventh until the tenth when the winning man was pushed across home to win the Shelby County Tourney for the third year in succession.

BASKETBALL SEASON OF 1937-38

Elk Horn completed the best basketball season in six years by winning the County Tournament for the second time in the history of the school. Our victory was quite an upset to prediction; Elk Horn had been ranked fourth.

The team started off the season with a bang when they defeated Defiance 40-23 in the first game. They continued the winning streak until they met Kirkman on the latter's floor where they were beaten by a score of 22-16, cutting the consecutive wins to seven. However, the team took advantage of this defeat and came back to beat the highly praised Irwin team 41-32.

Elk Horn entered the County Tournament as a strong team but only ranked fourth in line as a favorite. Shelby, classed as one of the strongest teams in the county, was the first victim. The next night Elk Horn knocked off another favorite when they took Harlan 26-22 in a hard fought game which put them in the finals to be played on Saturday night. However, on Friday night Defiance also toppled a favorite when they nosed out Irwin by two points to make themselves our opponents. But Elk Horn could not be stopped. Easily downing Defiance, they took the County Championship.

The next week Elk Horn beat a hard-fighting Exira quintet but only to be defeated in the return game with them. The three most important games came at the end with Kirkman and Irwin to be beaten before the conference was clinched. Over-confident, the Elk Horn five was nosed out 26-25 by Kirkman and the conference hopes slumped. However, a highly inspired team went to Irwin and tied for the conference championship by winning from Irwin 25-23.

As a result of the County tournament and their record of 13 games won and 3 lost Elk Horn entered the Sectional tournament at Stuart as one of the three favorites. But Elk Horn drew Gray, who was also one of the three lauded, for the opening game. After a very hard-fought game, with tough luck on their shots in the closing minutes of play, Elk Horn lost to Gray by a score of 23-24 to close the basketball season for 1938.

The Juniors won the round robin class basketball tournament, winning both games. In the first game the Seniors downed the Sophomore-Freshman team by a score of 43-15, only to be upset by the powerful Junior aggregation in the second game by the surprising margin of 42-21. In the third game the Juniors breezed through a 48-4 victory over the Freshman team. The most interesting game of the tournament was the Junior-Senior game. The Seniors started out with a mighty burst of speed, bringing the score to 8-2 in favor of the Seniors at the end of the first quarter. The Juniors, however, started moving upward in the second quarter and the two teams were tied at 10 all at the half. After talking things over at the half the Juniors began clicking and swamped the Senior in the last half to win an easy but supposedly tough game.

Pep Club

"We're loyal to you, E. H. S.
We're orange and black, E. H. S.
We'll back you to stand
Against the best in the land
For we know you have sand,
E. H. S.

Rah!—Rah!

So toss in that ball, E. H. S.
Go crashing ahead, E. H. S.
Our team is our famed protector;
On boys, for we expect a victory
from you, E. H. S.

The Loyalty Song, together with a lot of added enthusiasm from the students, has given the athletes the spirit to go out and win their games in both basketball and baseball. A pep session was held each afternoon before a game. The competent yell leaders for the year were Esther Pedersen and Virgil Christensen.

The players deeply appreciate the splendid support given by the cheer leaders and the pep team.

Campus Leaders--1938

In every school there are students, girls and lads, who win the friendships of fellow scholars and stand out as leaders in things that make school life worth while. E. H. S. would be a different place without Olivia Jensen's smile and her voice or without Jerry Jorgensen to write Chaff, lead in ball teams, and show how a fellow can be a real sport. Esther Pedersen has demonstrated that girls can help a team on to victory, and quiet Kenny Larsen calmly saves the day at a play, a class meeting, or a ball game. Edith Petersen has shown true scholastic leadership, and witty Don Hansen has given Chaff to posterity. Emmert James' energetic interest in life and Marjorie Pedersen's quiet friendliness have added much to this school year. Margaret Sorensen, small and poised, has exhibited friendliness and a singing voice, while Virgil Christensen has shown friendliness and a hearty voice. Here they are—this year's campus leaders, named by their fellow students.

Publications

ECHOES FROM THE HILL

The high school news staff, ably headed by Stanley Rattenborg, has turned out some very good literary work in the form of newspaper write-ups this year.

The news, which is entitled, "Echoes from the Hill," is published in the Elk Horn-Kimballton Review. It proves the center of student interest each Thursday afternoon when the paper rolls from the press.

One division of the Echoes, "Chaff," attracts special interest among the students. It is the medium of "making public" all the hilarious and embarrassing incidents of student life at E. H. H. S.

The Echoes staff members deserve ample credit for their work, and we sincerely hope that the paper will continue to succeed in the future. It proves interesting, not only to present students, but to E. H. H. S. alumni as well.

THE ORANGE QUILL

Presenting The Orange Quill with its contents of genuine veracity, has proved to be, not only a lot of fun and a thrill to those who get their compositions put in the Quill, but also a good educational boon to those whose bits were printed and those who had a special part in preparing it.

We owe the success of the Orange Quill publication to the supreme guidance of our responsive English teacher, Miss Wescott, and the helpfulness of the Quill's Editor-in-Chief, Eleanor Stiles, to say nothing of the able work of the rest of the staff.

The publication consisted mainly of top notch short stories, character sketches, and little hits and bits including sparkling poetry, limerics, and miscellaneous items such as philosophies of nature, life, etc., of the high school students and grade pupils. The comedy of the best chaff items from "Echoes from the Hill" was enough to keep one laughing for weeks.

Earl Weddum, with his unusual skill in the art of drawing, topped the orange Quill with unique designs to fit each classification of Quill contributions.

The School Board Members As We Found Them

In case you think the school board members' only activities consist of working around tables at meetings, here is proof the roving candid cameraman found that they do other things than "ponder weighty matters."

Baseball

The Elk Horn Danes earned the right to represent Shelby county in the State District tournament at Arcadia and proved that the Danes are hard to keep down. Elk Horn received a bye in the first round and met the strong Mondamin nine in the second round. It was a close game throughout but the Danes managed to nose them out by a score of 2-1. In the semi-finals Elk Horn met the mighty Rockwell City sluggers, who had taken Lytton and Rippey. But the Danes were not to be stopped and trounced Rockwell City 7-1. For the first time in years Elk Horn entered the finals of the District tournament. The finals were postponed from Saturday until Monday and then until Tuesday because of rain. This caused the Danes to get cold and the strong Castana team trounced them 10-3. It was Elk Horn's ball game until the sixth inning when Castana rallied for six runs. The Danes scored two runs in the first inning and one in the sixth, but couldn't recover the lead Castana gained in that fateful inning. Earl Weddum, Elk Horn's ace hurler, pitched the Elk Horn Danes to victory in the first two games but due to a sore arm he was unable to hold Castana in the third game for more than five innings and was relieved by Donald Hansen in the sixth. Castana then represented District No. 5 in the State meet at Manson but was downed by Davenport 8-3 in the opening game of the tourney.
