## Cardinals Are No. 1

The Cards finished the season with a record of 6 wins; 1 tie and 0 losses in conference play. Under the leadership of coaches Steen, Rebrovich and Miller, the Cards finished the season as conference champs. Despite a number of injuries, the Cardinals kept their spirit and drive to work to the No. 1 position.

The first game of the season was against Amery. We were off to a good start with a 19-6 victory over the Warriors.

Luck's outstanding defense, which has been rated as best in the conference, held the Frederic Vikings in the final minutes of our second game. The final score was 19-14. We met Osceola at

## We're No. 1 1971 CONFERENCE CHAMPS

Luck the following week where we fought to a 12-12 tie. On Oct. 1 our exciting Homecoming activities were topped off with the Cards shutting out Webster by a score of 16-0.

An easy win over Grantsburg with a score of 26-7 gave the Cards the drive and momentum needed for their game with Unity. Unity was the team to beat, and the Cardinals were ready for them. The Cards gained an early lead with 16 points in the first half. Unity threatened in the second half by making two successive touchdowns. The Cardinals managed to hold Unity's scoring to 14

points. The final score was 16 - 14. The Cards clinched the conference title with their victory over Unity.

Luck romped St. Croix 50-24 in the final game of the season, making the Cardinals undefeated.

Co-captains Don Bohn, Mike Pomerleau and Duane Murphy provided the nucleus with a fine roster of players making up the rest of the Cardinal football team. The Seniors on the team are Mike Pomerleau, Gary Byl, Don Murphy, Bruce Jensen, Don Bohn, Jeff Rasmussen, Larry Wood, Jeff Olsen and Jon Bille.

Well worth mentioning is a tremendous group of Juniors who made regular appearances on the field. Some of these guys are: Rick Giller, Rande Giller, Greg Byl, Tom Vilstrup, Barry Morten and Alan Nielson.

Congratulations to the entire football team and the coaching staff for an excellent season!!!!

Thank-you to the cheerleaders for providing the spirit and enthusiasm needed to support our team, and thank-you to all the fans who turned out to support the Cardinals and cheer them on to the Conference Championship.

Congratulations to the 1971 Football CONFERENCE CHAMPS!!!!!!!

## Meeting Of Student Voice

The meeting was called to order by President Jeanne Pedersen. All members were present except John Larson and Don Cooper. Mr. Larson read the following article from the Hayward High School Student Handbook: "Student Council: The purpose of the Student Council is to promote and to give experience in leadership, to correlate student activities, and to act in any capacity where the student body as a whole must be represented. It serves as an intermediary with the school administration, is a means of reflecting student opinion, and gives the student some measure of determination in matters delegated to them by school authorities. Any student who is a member in good standing of his class (at least a "C" in each subject) may be a candidate for representative. Two members are elected annually from the

Freshman, Sophomore, and Junior classes, three from the Senior class. One or more of the Seniors must have had previous experience on the Council. The Student Council can be effective only if each student takes an active interest in the selection of representatives and in the projects of the organization. Students should vote for members who have the time to spend and who are interested in the welfare of the entire school. But individual responsibility does not end there. Students should make their opinions known and be willing to help with the activities. Council meetings are open to all students and anyone who wishes to speak at a meeting may ask to be put on the agenda."

Jeanne asked for any suggestions we had gotten from the student body. Randi Giller said that students would like to see more people on the coun-

cil. It was discussed and decided there were enough on it but that any student may attend the meetings, they may come and say what they have to say and leave or stay for the rest of the meeting but may not interrupt the meeting at any time. You must notify the Student Council president previous to the meeting if you wish to attend. Jeanne discussed some things we could do and asked Mr. Larson about having movies. We discussed having sports competition between classes. Randi Giller was made chairman of a committee to set up dates when the events could be held after school. The class that does the best in these events will receive a trophy. We could possibly have a fun day for the whole school in the spring. We also talked about a snowmobile day. These topics will be discussed further later. The Student Council is going to try to

influence classes to sponsor a dance. Toni Brimblecom made a motion that the Freshman and Senior classes be allowed to sell at the basketball games. Holly Renz seconded it. It was passed unanimously. Slips were drawn to decide who would sell at which game. The schedule is as follows: Amery, Dec. 10 - F.H.A. Osceola, Dec. 21 - Seniors. Frederic, Jan. 7 - Freshman. St. Croix, Jan. 14 - F.F.A. Grantsburg, Jan. 21 - Pep Club. Unity Jan. 28 - Drama Club. Cumberland, Feb. 1 - L Club. Spooner, Feb. 8 - G.A.A. and Webster, Feb. 15 - Librarians. There can't be an honor study hall or a record player in study hall because of the problems they caused last year. No pop machine because of the state ruling that it interferes with the Hot Lunch Program.

The meeting was adjourned at 8:50 p.m.

## Come Blow Your Horn

### Homecoming? A Success?

I suppose many students have their own opinion about homecoming this year and the past years. Well, students, if you have something to beef about, let's hear a little student voice. I hear a lot of kids complaining about why don't we do this or that: if you want something done let everyone hear it. That's what your student council is for. Let your student council representative know what you are thinking, they will be happy to bring these matters before the student council at their meetings.

In my own opinion, I feel our Homecoming this year was a success.

When you think back on Homecoming, take into consideration the amount of time we were allowed to work on Homecoming projects, the great deal of time given to us and the help from our teachers and advisors. Also, take into consideration the poor spirit of the student body during the week of Homecoming. Homecoming and the way it is run has changed a lot but I feel that we got a fair shake. Homecoming can be made whatever we want it to be, but it is only as good as the time and effort we put into it.

I think most of you will agree with me when I say that we were very fortunate to get Nirvana to play for our dance, but if you do agree you sure didn't show it. Talk about a lousy turnout! The best thing that happened the whole week was our victory over Webster with the score 16-0. I don't know how all the boys did it, considering the lack of support, but winning is one thing that will never change. Right Guys?!

### Students Support Activities ???

The Luck High School Drama Club put on its first play on October 18. The name of the play was "Sir Slob and the Princess." Does this title imply a children's play? Maybe so, but those who attended the play enjoyed it regardless of their age.

The Drama Club had been busy for weeks preparing for this play. For those who attended the play, I don't have to mention that the Drama Club gave a fine performance. Congratulations to Mrs. Krey and Miss Berg, our directors, and the cast of the play including the "Behing-the-scenes" workers.

I'm sorry to say that there were more students on the stage than there were out in the audience. After so much work and preparation these students deserved a better turnout. Several members of the cast expressed their disappointment in the number of students attending the play.

The High School drama department is just as important as any school sports event. Personally, I think that these plays are more important from both the entertainment and educational standpoint. Then why don't the plays get the attendance they deserve? It was also disappointing to see so few adults at the play. Students could encourage their parents and neighbors to attend plays.

There is no reason why there was an absence of both students and teachers at the play. If you do have an excuse, the Editor of your school paper is interested in hearing it.

Students should be willing to support all school events.

I wondered for a moment if the rain kept people away from the play that night. Then I remembered seeing crowds of people turn out for football games in the pouring rain. By the way, I noticed a very obvious absence of school athletes at the play. I just hope these athletes don't complain about a lack of team support at games anymore.

### Party Line

**Carol B.** - Do you have a clean spot on your sink??  
**Avis** - Hot Dog, I did it! It worked out. Hot Dog!!  
**All Athletes** - Be sure you get 8 hours of sleep every night.

**Pam L.** - What exactly do you do on GG??

**Mary Jo** - Do you enjoy holding Kris' hair back??

**Julie T.** - Looks like the old flames are burning brightly!!

**Jackie Moslet** - It's always the girls, isn't it.

**2nd Hour Art** - It's nice to know you all get along so well!!

**Wayne** - We hear you like Marigold flour!!

**Ed** - Let's not and say we did.

**Mr. Kauppi** - Why do you square that?!!?

**Mary Jo & Lori** - Do you have trouble with head-phones??

### Question Of The Month

What do you feel is the most exciting event in the school year?

**Anne M.** - Grantsburg Games.

**Diana C.** - The day I got my braces off!

**Marlowe L.** - Homecoming.

**Laurie H.** - Seeing Diana after her braces were taken off!

**Brian O.** - Party at the Boy Scout camp.

**Cindy H.** - 12:45 Sunday Morning.

**Romey H.** - Grdauation.

**Laurie C.** - May 28.

**Kevin K.** - Nothing.

**Kathie K.** - Getting closer to 18!

**Jeff O.** - Homecoming.

Ha! Ha! Ha!

**Gary B.** - Senior skip day!

**Don B.** - January 11.

**Don M.** - December 7.

**Bill P.** - Terry G. going hunting.

**Jeanne P.** - Graduation.

**Carol H.** - Prom.

The Drama Club is a fine group of enthusiastic students. They worked hard and deserve our support. You'll get another chance to see the Drama Club perform this school year. Don't miss it!!

Duane and Larry took up TIGER hunting?

Teri N. is now a left-tackle squaw?

Trailer houses break easily!!??

Betty wants snow?

Kick - a - poo Joy Juice makes you joyfull?

### QUESTION OF THE MONTH

How can young children learn good manners with so few examples to follow?

On Friday, Oct. 15, the Pep Club and FHA held their joint initiations for their new members. During the day, the new Pep Club members paid for their future privileges by serving as slaves to the Senior members. The Seniors started the day off right by bringing various articles of clothing and other little "goodies" for the new members to wear. After school, the new and old members of both organizations gathered together for a supper cooked by the older members. Naturally, the new members were allowed to clean up, just to show them that we all like to share our most - treasured privileges. All in all, it was quite fun and exciting just ask most any freshman girl...

He worked so hard at having a good time, he couldn't.

## Athletes Speak Out On Athletic Code At LHS

Is it right to separate the jocks from the rest of the people by making them abide by a code? For me, it's hard to believe that side burns or hair (if kept out of the way) could make a difference in our athletic performance. Is it right to let the coaches and principal make a code without letting the athletes have a thing to say about it? It is my opinion that they want us to look like they and their generation do. They try to run this thing when they don't take the changing styles into consideration. If it is unconstitutional to have a dress code, I think it should be unconstitutional to have this kind of code too.

The following questions were answered by our athletic Director.

**Question:** First of all, why did you feel we needed a code?

**Answer:** The code is to set a guide line for the coaches and the athletes. The code also sets rules on the athletes behavior.

**Question:** What is the purpose of the dating rules?

**Answer:** Dating rules are set up to help keep the students' interests in sports. The coaches feel that excessive dating takes the athlete's mind off his playing.

**Question:** According to the code, swearing and anger is not allowed, what is the reasoning behind this?

**Answer:** Pretaining to Locker Room behavior, the student should try to control his temper for the simple reason that anger gains nothing.

**Question:** What is ment by a loss of privileges during periods of suspension?

**Answer:** According to training rules, an athlete may lose all privileges and awards during periods of suspension. If the penalties are severe enough, an athlete may lose all credit that he had gained that year, before he vio-

lated these training rules.

These same questions were then asked, and answered by our athletes, in the same order.

**Answer - Question 1:**

According to a few of the athletes, there is a general feeling among the sports participants that the code accomplished nothing but just said on paper what the coaches have already told them.

**Answer - Question 2:**

The Athletes view on dating is basically the same as the code's rules. There is general agreement that excessive dating could prove to be harmful to the athletes.

**Answer - Question 3:**

The view of swearing and anger in the Locker Room is regarded by the athletes as harmless if not used excessively. They feel excessive anger would make them cause more mistakes and maybe harm the team's efforts.

**Answer - Question 4:**

Most athletes felt that the loss of credit during periods of suspension was totally unfair. They felt that the credit that the athlete had gained should not be taken away. They also felt that the athlete's classwork shouldn't be a factor in determining a student's sports participation.

## BADGER BOYS STATE

Badger Boys State was held June 12-19 at Ripon Campus in Ripon. Badger Boys State is sponsored by the American Legion. BBS is to give young boys a chance to see how the state, county, and local levels of government are run.

BBS gives a person many opportunities in participating in government. One of the greatest parts I thought was being able to vote.

Badger Boys State is divided into two parties, the Nationalists and the Federalists, by which we operated. I was a member of the Federalist Party.

I was elected Secretary of the Federalist party for the city of Davidson, Spooner County. I ran for City Clerk and attended special classes for the job, but I lost by 3 votes. I then ran for County Board of Supervisors and attended a special class for that, but I lost by 1 vote. In the state elections I got 1 write-in vote for Clerk of the 2nd Circuit Court.

The usual schedual for the day was up at 6:30 and then go the breakfast. After breakfast, we attended classes. I attended Civil Service class and studied the Civil Service System of Wisconsin. Then I had an hour off until it was time to vote. At 12:20 we went to eat and then had a general assembly and listened to different lectures. From 2:30 to 4:30 was recreation period where we had a choice of choir, band, or being involved in one of the many sports tournaments. I was in the choir and we performed the night that Governor Lucey was there. From 5:30 until supper time we had city meetings. At 8:00 we met for a General Assembly where we listened to another lecture by some prominent people.

On Thursday night, the night of inauguration and the night that the governor and other state dignitaries were on hand, we had a bomb scare and were told to evacuate the building. We then continued the

program outside under far from perfect conditions.

This year was the 75th BBS and we had the largest attendance of 1070 boys from all over Wisconsin. I had a chance to become friends with many boys from all over the state.

I will never forget my experiences at BBS because it was so fun and worthwhile at the same time. I just wish more people could attend and get a better insight on how our government is run. There are so many things to tell that it is almost impossible to write them all down. I hope whoever goes next year will have as much fun as I did.

## What If ??

**Mike D.** - Didn't speak "IN GENERAL"?

**Debbie K.**'s mother didn't teach at St. Croix?

**Mike P.** wasn't in 2nd hour art?

## Coaches Basketball Outlook

**Mr. Dolny** - Work hard, that's what we're going to do; then everything will come easy.

**Mr. Reb** - Having a nucleus of highly talented and competitive boys coming back from last years team and a few promising boys coming up from the B-squad, we should have an outstanding season.

## Basketball Players Say "Lookout!"

**Brian O.** - Looks good, better than last year.

**Tom Slick** - with our nucleus of Juniors we should take the Conference Championship.

**Barry** - with our many Juniors on the team and their great speed and high scoring ability, we'll burn up the court.

**Dinker** - With the Senior's speed and agility we should be on top.

**Michael D.** - With our nucleus of Seniors we should go farther than we did in 1966.

**Robert** - We should be on top. It will be highly competitive.

**Randi** - It'll be a good year.

**Alan N.** - Being that mostly Juniors are on the team, it should be a good year.

**Rick** - It'll be a good year.

**Hot Dog Dean** - We'll be touch even though I'm the only big man.

**Tricker** - It sounds good.

## Luck Shuts Out Tigers In Homecoming

Luck received the ball from the Tigers on the kick-off and Tom Vilstrup ran the ball back to Luck's 35 yard line. On the first play from scrimmage, the Cardinals turned the ball over to Webster on a fumble. Luck's outstanding defense was able to keep the Tigers from scoring. The first half was mainly a defensive game. Both Luck and Webster were in good field position to score only to have the opposing team's defense stiffen.

Late in the third quarter, Pomerleau ripped around the right end on a counter and stormed 40 yards for the touchdown. Again the ball was given to Pomerleau as he smashed his way in for the 2 point conversion. Then, late in the fourth quarter, Rick Giller picked off a Webster pass and raced 30 yards for another Cardinal touchdown. The ball was again given to Pomerleau on the conversion run and another 2 points were added to the score board. The final score: Luck 16 - Webster 0.

## Cross Country Cards Show Ambition

This years Cross Country team has not only a good crop of runners but also a good coach who works the team hard. This is what was needed. One can't expect to take first place when he is not emitting good, strong effort. The number one man is Phil Madsen, a real hard working runner during the season. Greg Jensen is the next man striving to take the number one spot. He also makes Phillip work harder. Other members include Kevin Bille, Larry Clausen, Jon Sorenson, and a few other unacclaimed runners.

Keep up the good work team! We want to see emulation for number one po-

## Grantsburg Zonked By Luck

Grantsburg won the toss and chose to receive. The Pirates moved the ball into Luck territory where the Birds were able to stop Grantsburg's drive. Luck was unable to move the ball for the first three downs. Then on the fourth down, the punt was blocked. The play was called back because of a penalty. Luck attempted to punt again and was blocked a second time. Grantsburg took over on the five yard line. One play later they went in for the score. The conversion point was good.

Luck soon came back with two touchdowns in the second quarter. The first one was a 70 yard spring by Randi Giller. Later in the second quarter, Giller again went in for the score with a 60 yard run. The play was called back to the 34 yard line because of a clipping penalty. A few plays later, Pomerleau completed a pass to Murphy who was all alone in the end zone. The two point conversion by Pomerleau was successful. Rick Giller, Luck's quarterback, went around the end on a quarterback keeper, from about 7 yards out. The fourth touchdown was made in the last quarter on a pass play from Rick Giller to Mike Pomerleau. The score at the end of the game; Luck 26-Grantsburg 7.
