LUCK HIGH SCHOOL

April 2, 1974

## Senior Class Makes Graduation Plans

The 1974 graduation class of Luck High School had their February meeting and have decided the following:

The students voted for one boy and one girl to receive a scholarship from the American Legion. The winners will be announced on graduation day. Rick Davidsavor was voted by the students to be the student speaker. A white rose was picked as the class flower and blue and white as their colors.

## The Luck Talkers

The talented talkers of Luck High have participated in the local forensics contest. They competed in several different categories ranging from prose and poetry to significant speeches. Paula C., Luanne L., and RoAnn H. entered the prose and poetry category while Helga H. and Lonna H. entered the significant speech class. Memorized declamation was the field of speech which Joyce W., Alison S., Jenny N., Peggy S., and Terri R. competed in.

Two winners were selected from each class in the local contest. These winners then moved on to the sub-district contest which was to be held at St. Croix on March 12th. If they should win again, they will enter in competition at Amery where the district contest is to be. Should any of our speakers be talented enough to win this contest, they will venture to Madison for state competition.

In the forensics contests the speeches are graded A, B, or C. If you receive a C rating, you know you need to work quite a bit harder on your speech. If you receive a B, you've done a good job, but you still need a little more work on it. If

"I do not fear tomorrow for I've seen yesterday and I love today" was chosen as the class motto.

## Pure As The Driven Snow

The second school play of the 1973-74 school year was presented on March 27 in the auditorium at 8:00 p.m.

The play is entitled "Pure as the Driven Snow," or "A Working Girl's Secret."

It was, of course, a regular melodrama, with the following stars: the heroine, sweet, innocent and humble; the hero, honest, trustworthy and brave; and the villain, dirty, rotten, terrible and a lot of other bad things. Of course the villain wants the heroine all to himself, but can't have her because (1) she can't stand him, (2) the hero wants her, (3) good always over-comes evil, and (4) the villain is usually married.

As always the play cast was an excellent one. The three stars of the play were Terri Redman as the heroine, "Bug" Larsen as the hero, and Paul Petersen, as the despicable villain. Other students in the play were Lee Murphy, Dawna Erickson, Sonja Petersen, Bruce Randall, Ruth Pekersen, Jenny Nyreen, Joyce Mattson, Lori Steen and Brad Hengtgen. Oh yes, one character, the Baby, was played by the doll.

you are fortunate enough to receive an A, you've done an excellent job and are eligible to move on to the next forensics contest.

Mrs. Krey has been working very hard coaching the forensics students and we wish them luck when they compete.

2nd Princess, Lori E.; 1st Princess, Sherry K.; Queen, Laura B.

## For Those Who Missed The Carnival

It all started about a month ago. The girls started practicing for the Winter Carnival. The theme was "What the World Needs Now is Love." The girls had to learn a routine for the opening number. They also had to decide on a talent presentation for the judges.

By the second week of practice the girls were off to a good start. Before they knew it, it was the dress rehearsal, then the matinee, and finally the big night. It went very quickly and before they knew it, they were congratulating Lori Ellefson, Sherri Kreutzian, and Laura Berg, the three finalists.

The coronation was left for Saturday. Laura Berg was crowned queen. Sherri was first princess and Lori was the second princess. The Winter Carnival wound up with a dance that night at the high school with the band "Sweet Dreams."

## WHY MEN GET GRAY

Mr. Jones arrived home, tired and weary, after a rather long day at the office. But nobody was home and both the front and back doors were locked. Mr. Jones had loaned his key to his wife, unfortunately. He tried everything - but it was no use. Everything was locked tight.

Finally, he decided to climb the tree adjoining the house. He did this with some difficulty, but a window on the second story was open and he managed to

Miss Congeniality, Dawna E.

## Junior Class

You will be hearing more of the junior class as time goes on. First of all we are selling candy. It's only a dollar a box and three different kinds, peanut butter, mint, and caramel. If you are in need of candy, contact any member of the junior class, they should have plenty on hand. Second, the junior class is in charge of the Junior-Senior prom this year. A lot of work and ordering of supplies has already begun. The theme this year is "Pieces of April". You will be hearing of more progress as time goes on.

get into the house.

On the kitchen table downstairs, he found a note from his wife: "I have gone out to do some shopping and you will probably arrive home before I do. Your key is under the mat."

## Kathy and Brenda Discuss Job

We interviewed Kathy Bruce and Brenda Byl on being "Office girls". This is what they had to say.

What's it like working in the office?

Kathy: It's more fun than I thought it would be. You get to know that the faculty isn't just a bunch of teachers.

Brenda: I really like it because it's fun and it's a good experience.

Who's your favorite person in the office? Why?

Kathy: Brenda, when everyone is doing their work, we aren't.

Brenda: I think I would have to say Kathy because every time I make a mistake, she sits and laughs.

What is Mr. Larson really like?

Kathy: When you're doing work for him, then he calls you sweetheart and all sorts of mushy names. When you're in this way, those sweet names aren't even mentioned.

Brenda: I would like to tell you what Mr. Larson is really like but to play it safe, he's nice to work with.

How does Mr. Walker act most of the time?

Kathy: I don't really know because I don't see much of him.

Brenda: I don't know. I never see him.

Would you recommend this job?

Kathy: Yes, if you really want to know the faculty's complaints. Also if you like to be called sweet-mushy names names by your superior principal.

Brenda: Yes, it gives you a chance to get to know what the faculty is really like. It's a good experience.

### TO DREAM OR TO DO?

Some pass their days away dreaming of the fun they could have.

Others spend their days dreaming of great deeds.

And a few work their dreams until they can enjoy their days amid their accomplishments.

## Luck Welcomes Webster

On Feb. 8 four students from Webster came to Luck for a day. Four Luck students also went to Webster. Luck students who went were Debby Randall, RoAnn Hedburg, Faye Hanson, and Robyn Holdt.

The Webster students went to classes with their Luck guides. Guides for the exchange students were Laurie Chaffee, Cheryl Dau and Sherry Walker.

At the end of the day the Webster "people" went down town. Then they came back to the school to go to the Luck-Webster basketball game. The day turned out fine since Luck won the game.

Our Basketball Jones dance in January was sponsored and paid for by the Student Council. Our exchange-a-student program was suggested and set up through the Webster and Luck councils.

## \$\$\$ - NOT THAT VALUABLE

Money has many values.

But it is not the all valuable.

For money can buy medicine and the greatest physicians, but not health. It can buy friends, but not loyalty; laughs, but not joy and contentment; servants, cars and mansions, but not peace; thrills and stimulation, but not love; an expensive funeral, but not life.

Yes, money is valuable. But not that valuable.

## What's New In Art

This year the art department has gone through many changes. One of these popular changes is pottery. Early last fall the school purchased a kiln for the ceramics class. The seniors, juniors, and sophomores spent many weeks forming basic chapes. The weeks spent doing this must have paid off for now they are making advanced pottery, as the freshmen are slowly getting the hang of it.

Another change this year is that along with his high

### WHAT'S UP IN THE BANDROOM?

Those of you who have classes in the biology room, have you been disturbed by unusual noises from above? Well, it's solo ensemble time again and the band and choir are busy practicing. The class C contest was held on February 23 at St. Croix Falls. Several junior band members and some senior band members participated in this contest.

On March 22 the class A and B solo-ensemble contest was held at Osceola.

### SATURDAY RECREATION

Any Saturday afternoon from 1-4 you can come to the gym and find people there. That is when the recreation program for grades 7-12 is. If you take time and stop in, you're sure to see a basketball game in session. You're likely to see someone on the tramp trying to master their drops. The horse is out sometimes so you can vault. If we're touching up and getting our tumbling to perfection, the mats are there for us to use. Many take advantage of this opportunity, including some of our older townfolks. Why not go next Saturday?! There's bound to be something for you.

IT'S ALL RIGHT IF YOU GET AWAY WITH IT is all wrong.

ONE CANNOT get away from self.

school classes, Mr. Dolny also has the elementary classes.

If the art department makes changes like this every year, Mr. Dolny will have many happy students for years to come.

# A Ballad

**Aaron Larson**

The Cardinals were all confident  
Of the easiest game of the year.  
The game was really in the bag,  
But now what do I hear?

The officiating's horrible.  
We had such a bad night.  
The Eagles were so cocky,  
It almost caused a fight.

The fans were mostly booing  
Hollering, "Kill that stupid ref,"  
"Get that whistle out of your nose,  
What's wrong? Are you deaf?"

With only twelve seconds  
Showing on the clock  
Some idiot range the fire bell  
Off the floor our coach did stalk.

The locker-room was solemn,  
Nobody made a sound.  
The players all looked at the floor  
Whenever the coach came 'round.

The whole ride home was silent.  
Everyone was faking sleep.  
They were all waiting to get home,  
And into their beds they'd creep.

**If the staff will write what's assigned to them, next issue we'll try and have something on the sports page about the boys!**

Does anyone have a never takes a shower?

We need more soap. Spit your gum out!  
Where's the soap? Can I use some of your deodorant?  
Go get some more towels. Pick those towels up off the floor!  
I really should bring my gymsuit home and wash it.  
Did you hear about --- and Who has some lotion I can use?

## Loops But No Hoops

The lack of an experienced coach and a young, inexperienced team caused the girls' basketball squad to wind up an 0-6 record this season.

### The Unknown

#### Predictor: Follow-up

This year the school had a person who predicted the A-squad games. He was only right on two games. I want to thank Dale Bernsen for being the "Unknown."  
He was very close on most of the games, except the Unity game. He was off by a lot, but I guess everyone was off.

coach, gave up her mornings and nights after school to work with the girls. They tried their hardest but couldn't pull through with a victory in six games. The first game with the Grantsburg Pirates was the first of their losses. They lost by 14 but played a good game. Cindy G. pulled off 14 points that game and Kandi - 4. Darla and Lori S. had 2 apiece. The second game at home with Webster they lost by 13, Cindy was high scorer with 10. Next was with Frederic there. We gave them a good fight but Frederic took us by 12.

The second round we started with Grantsburg again and this was the big game. We started off with the lead and held it for the whole first half of the game. Then in the second half, we fell apart and Grantsburg took the game. The 5th game at Webster proved to be one of the better ones. The five junior starters - Ruth, Cindy, Sherri, Emmy, and Carol held the game in the first half. Scores were Cindy 16, Darla with 6, Carol and Sherri with 2 apiece. Webster won by 9. Our last game Frederic won by 11. Cindy was high scorer with 15, Carol - 6, and Lori 2.  
The girls didn't have too good a season but hope to be better next year.
