There Is a Right

The '77-'78 Horseshoe staff presents **you** with this yearbook. We found that there **is** a right time for everything. A time for deadlines, a time to find pictures, a time to have a nervous breakdown, but, most importantly, a time to create a record-book of memories for an entire school year.

There were times that we couldn't find the time to get all of our work done on time. There were other times that everything we did created good times. We all found out, one way or another, that Ecclesiastes 3 says it the best . . .

**A Time to be Born;
A Time to Plant;
A Time to Kill;
A Time to Destroy;
A Time to Cry;
A Time to Grieve;
A Time for Scattering Stones;
A Time to Hug;
A Time to Find;
A Time for Keeping;
A Time to Tear;
A Time to Be Quiet;
A Time for Loving;
A Time for War;**

Time for Everything:

**A Time to Die;
A Time to Harvest;
A Time to Heal;
A Time to Rebuild;
A Time to Laugh;
A Time to Dance;
A Time for Gathering Stones;
A Time Not to Hug;
A Time to Lose;
A Time for Throwing Away;
A Time to Repair;
A Time to Speak Up;
A Time for Hating;
A Time for Peace.**

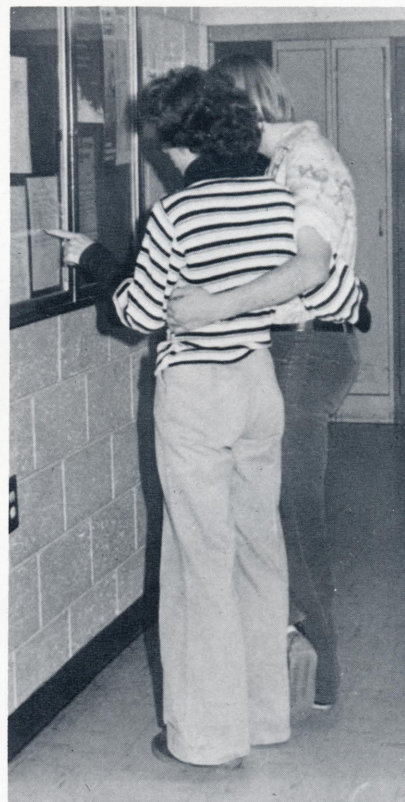

Planting, cultivating, harvesting; isn't that what school is really about? There are many people who spend countless hours "farming" in this high school. These farmers do everything they can to produce crops of high market value. Like true-to-life farmers, they are working to accomplish more than self-satisfaction, they do their work to help others. If their job is done well others will benefit from the harvest, and the seeds they plant will never die.

A Time to Plant

Life at LHS IS Unique

At right, Gretchen Nies "accounts" for some class time. Below, Karolyn Petersen "enjoys" an English class.

Above, Lisa Pedersen, Rhonda Fjorden, Andrea Erickson, Marilyn Welch, Kelly Baldwin, Robyn Stinson, and Carol Clauson talk about "life" in biology. At right, Loraine Rebrovich and Daryl Bazey examine daily announcements

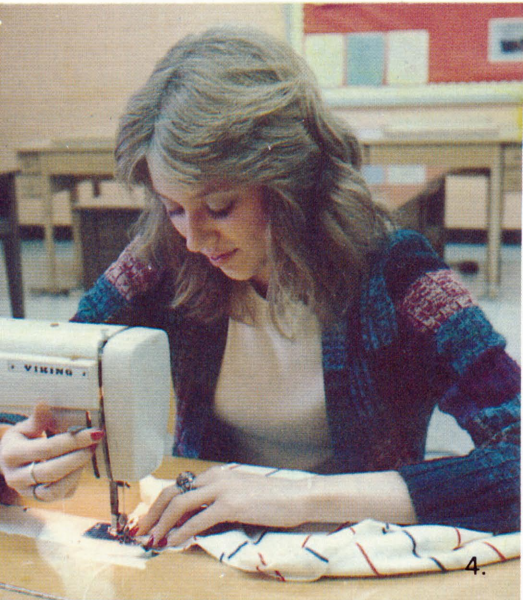

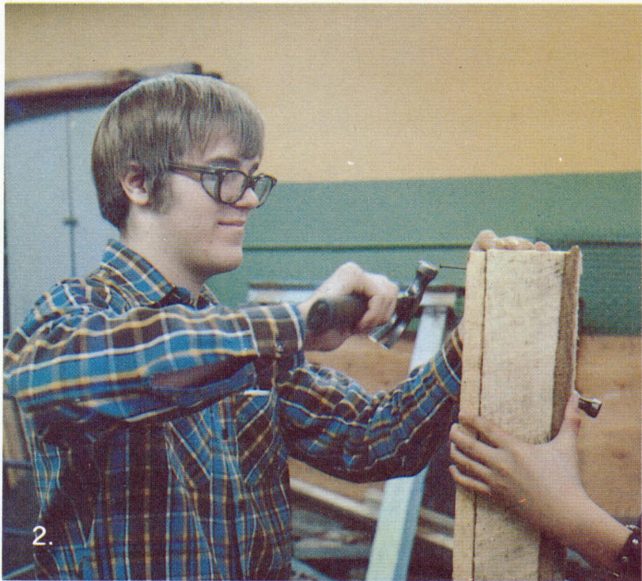

School . . . How much time is spent in this building of education? The law requires 36 weeks of scheduled school, which puts students in class 180 days, or 1280 hours, or 76,800 minutes, or 4,608,000 seconds. Who could count the extracurricular minutes spent at LHS? To many, this system becomes monotonous, but, every aspect of school is unique . . . Left, some senior girls seem engrossed in a Marriage and Child discussion. Below, Kelly Olson makes use of the library.

The art classes changed a school symbol in the gym for the incoming conference team. Left, Bob Cook is part of the creation of a Somerset Spartan. Contemporary Problems was an exciting senior adventure. Seniors were coupled up in one unit, married, and divorced over a six-week period. Above and right, Tammy Stinson and Randy Holdt try to deal with matrimony.

Algebra I, instructed by Mr. Knudson, is an academic challenge for many freshmen.
2. Sanders Thompsen pounds away in a shop class.
3. Ron Steen keeps busy in accounting.
4. Many aspects of Home Economics are offered at LHS. Marilyn Welch takes advantage of a sewing class.
5. Written tests are a part of girls P.E. The senior girls are no exception to taking tests.

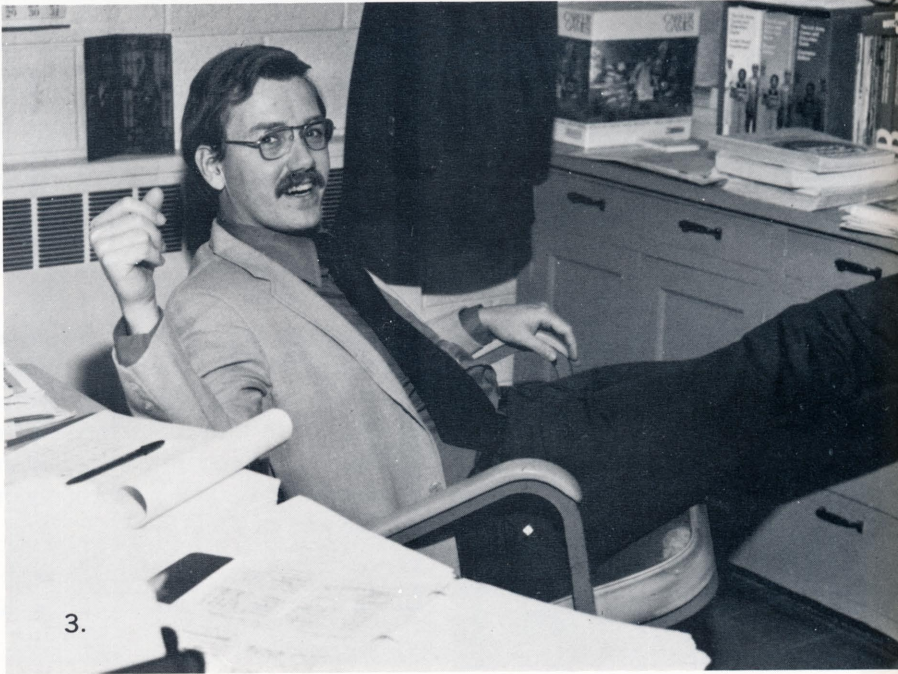

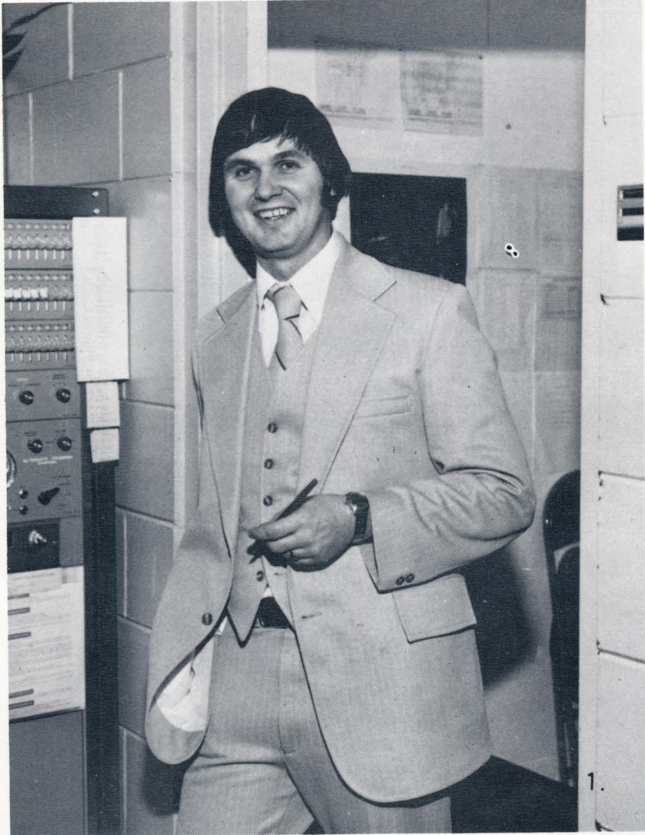

1. Mark Harvey is found working in the Ag shop.
2. The junior girls prepare to take a Home Ed. quiz.
3. Is Lisa Pedersen really "that" busy?
4. Are the freshmen guys minds really on Algebra.
5. Jon Byle; just starting a shop project.

LHS does have a lot to offer, and much of what's offered is unique. These past four pages are dedicated to what really happens in the everyday lives of the students at Luck. Found on these pages are different stages of concentration, dedication, and humor. As you remember high school special moments may stand out. As you go through these pages also remember what LHS was all about.

The Controlling Forces

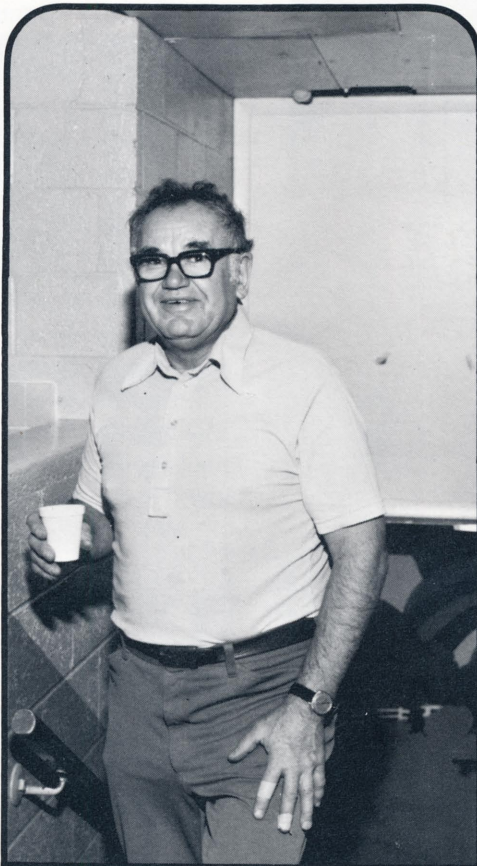

This year 1977-78 administration has new faces. A change in our "Controlling Forces" was witnessed here at LHS this year.

1. Mr. Jerome Larson continues to perform the task of our high school principal. Two new faces were added to our present administration.
2. Mr. Wayne Carroll is serving as the elementary principal.
3. Mr. William Grelle who is here as an intern guidance counselor.
4. Mr. Richard Walker oversees the school systems as our administrator.
5. Making the decisions that effect us all is the school board; Herbert Byl, Georgette Murphy, Roger Sandstrom, Sylvan Erickson, and Ted Anderson.

Where Would We Be Without Them?

Can you imagine where we'd be without these people? What if we didn't have Harvey to fix the boiler, or the cooks to satisfy our appetites everyday; or how about the ladies in the office when you need an admit. What if there were no one to wash the towels after Phy-Ed, or no bus drivers to depend on to take you home every night. These people are very important, and very reliable. Let's be glad we don't have to think about what we'd do with out them.

1. Harvey Nelson; Our Chief custodian.
2. Mary Steen, Mickey Vilstrip, Sylvia Jensen, Joyce Bille; the cooperation you'll find in the office.
3. "Forget it! Last year you guys got me in the laundry cart, I refuse to get in the dryer!" —Susie Beatman, Laundress.
4. Arlene Erickson, Joyce Paulson, Evelyn Askoy; the dedicated cooks of LHS.

1. Bus Drivers: Ron Everson, Harry Jensen, Phyllis Morten, Harold Wallich, Ron Hanson, Clyde Kunze, Reynold Petersen, and Darwin Sorenson.

2. Bud Pedersen.

Custodians not pictured are Ron Grambow and Herbert Draves.

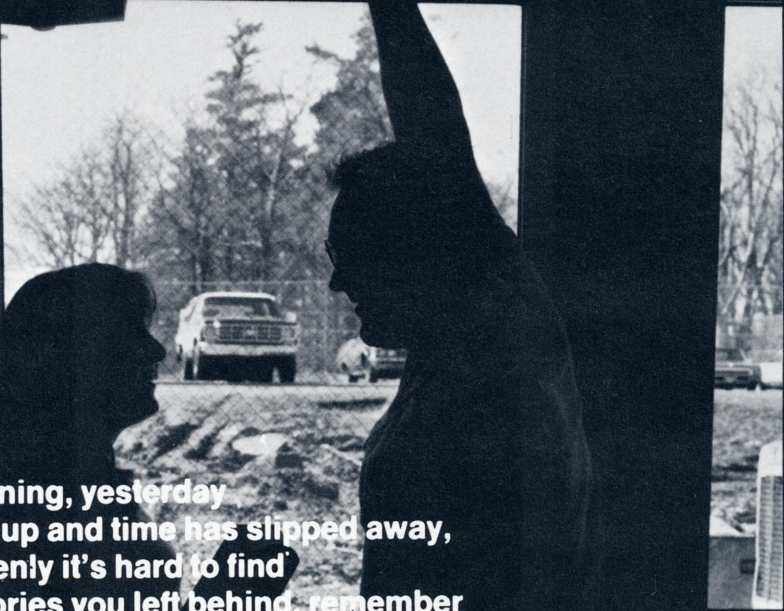

What does high school give each one of its participants? Memories, opportunities, experiences, things to keep forever. The 77-78 school year offered many things to keep. Memories were built of classmates and the things they did to make the year what it was. Organizations created things to keep by sponsoring events, entertaining group functions, and overall, making memories. Kept is the effort given and the results received. Kept is the value of high school.

Times of Your Life

**Good morning, yesterday
You wake up and time has slipped away,
And suddenly it's hard to find
The memories you left behind, remember
Do you remember.
The laughter and the tears
The shadows of misty yesteryears?
The good times and the bad you've seen
And all the others in between, remember.
Do you remember the times of your life?
Reach back for the joy and the sorrow,
Put them away in your mind;
For mem'ries are time that you borrow
To spend when you get to tomorrow.
Here comes the setting sun,
The season are passing one by one
So gather moments while you may
Collect the dreams you dream today, remember.
Will you remember the times of your life?**

Bill Lane

High School has many good memories, unfortunately we all experience bad memories as well. In the summer of 1976 the class of '78 was saddened with the loss of a classmate. In the summer of 1977 we were again saddened by the loss of our guidance counselor. People say that death is a part of growing and maturing, we must accept things as they happen. This page is dedicated to the memory of Susan Schilling Roger Steen, Gary Skow and Brad Asper, all of whom touched the lives of the class of '78.

Good-Bye Doesn't Mean Forever!

Being a senior, what does it mean? The top of the heap, easy classes, rowdiness, graduation, finally getting out of LHS; sure, being a senior means all of that but mostly it means the end. The end of security and of everything school has given you in the past twelve years. The senior year is the best, you're at the top and NOBODY can take that away from you, but then the end of the year rolls around and it's time to go. You try to hide the sadness in Prom, Senior Skip Day, and everything else, but it's time to go. Your friends promise to keep in touch, but you know they won't. Your teachers tell you to come back and visit, but you know you won't. In a few years it won't make any difference, but right now it makes you a little sad.

Friend I will remember you, Think of you, pray for you, And when another day is through, I'll still be friends with you.

Juniors

It was a very good year for the class of '79 as they made achievements of all kinds during the school year.

In the fall, the juniors chose Ron Steen to serve as their president, while Gretchen Nies and Reed Stevens represented their class in the student council. Sharon Morales was the juniors' Homecoming attendant. The juniors won the float competition and that started their string of good luck. As the year went on, the juniors won the Almost Anything Goes contest, the broomball tournament, and did an excellent job with the prom.

Even though the freshmen class of '81 is small, they've proven to be a very active class. Over 50% of the freshman participated in athletics, and over 70% of them were involved in a school organization. Their spirit came through in the week of Basketball Jones when they tallied enough points to take first place in the over-all competition.

Brenda Lunsmann represented her class as a Homecoming attendant.

The freshmen chose Leroy Buck to serve as president for the year, and student council delegates were Bruce Rasmussen and Brenda Lunsmann.

Ski Club; Newest Organization

The Ski club is in its first year of being an organized club.

Monday nights through out December, January, and February the club members; numbering over 30, skied themselves silly at Trollhau- gen. To beginning skiers, lessons were offered. The seasoned skiers boned-up on their hot-doggin' abili- ties.

'77-'78 Horseshoe Increases in Size

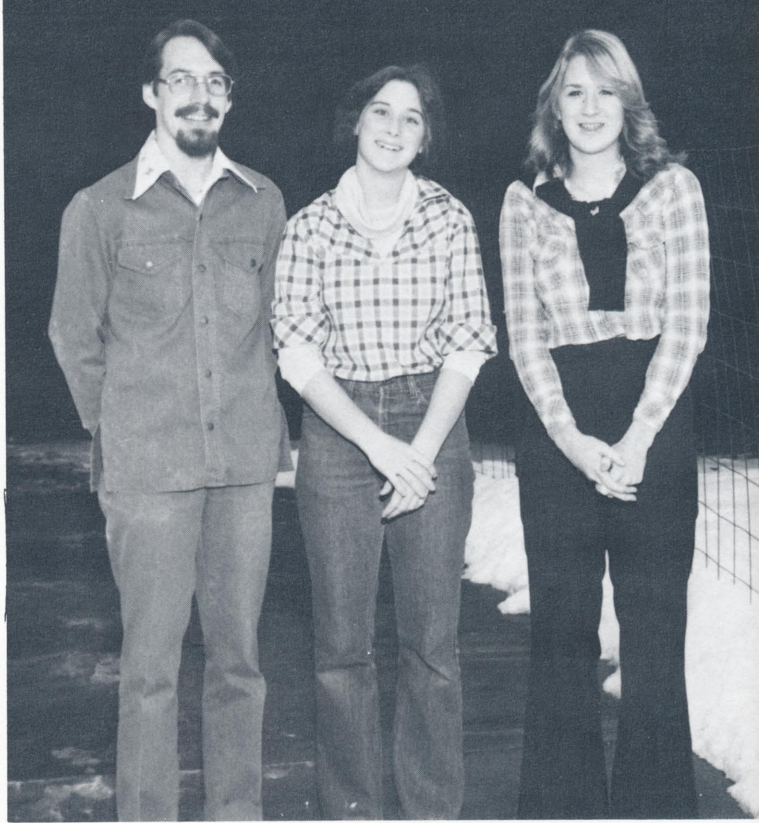

Eight pages were added to the present eighty-eight making this year's Horseshoe the biggest ever. The increase in size gave the staff the opportunity to show more fully what really goes on during the school year.

Despite the frequent shortages of pictures and articles, the Cloverleaf always managed to be printed. The problems always worked themselves out, and the pieces fell into place as each printing produced another informative newspaper.

National Honor Society Takes on New Responsibility

Selling bus and game tickets for athletic events was put into the students hands during the 77-78 school year. The National Honor Society inducted 7 new members. The Society attended the Children's Theatre in Feb. for the showing of "Beauty and the Beast." The annual banquet was held at Indianhead, those present will fondly remember the good jokes and slow food.

Officers: Daryl Bazey, Brenda Morgan, Lynette Anderson, Linda Redman, and Mrs. Peterson.

Students Choose Ric Mellon to Represent Them

In the fall election of Student Council president, the student body of LHS chose Ric Mellon as their leader. Ric and the student council made an all out effort towards Homecoming, Basketball Jones, and helping with many other school functions.

Officers: Gretchen Nies, Brenda Kunze, Ric Mellon, and Rhonda Fjorden.

L-Club Plans Activities to Raise Money and Boost School Spirit

The members of the L-Club started out the year by selling Luck Cardinals jackets. Later on an Almost Anything Goes contest was held. It was a great success, with the Junior class taking first place. In March, The L-Club put on a Basketball game, the L-Club taking on the teachers. As well as raising money to go towards a weight machine, this event was also a good spirit booster. So besides entertaining people in after school sports, the L-Club also helps in making school life more enjoyable.

Pep Club Remains Largest School Organization

With a membership of about 70 girls, the Pep Club is the largest school group at LHS.

Dressing up during the week of Homecoming, making signs to put up in the halls, initiating new members, and cheering at games are some of the things accomplished by the members of the Pep Club.

Send Delegates to National Convention

To keep them busy this year, the FFA sold fruit in the fall, participated in basketball games against such teams as Fredric and Amery, and they also picked up tires and cans for recycling.

Pom-Pons

This year in October, the LHS pom-pom squad attended the second annual pom-pom clinic at the Amery High School. Two routines were performed, one was used as a welcome, and the other was used in competition against the other squads. The girls learned new steps to put in their routines to such songs as: "Da Doo Ron Ron" and "Swingtown," which they performed at the halftimes of basketball games.

The background of the page is a dark, textured surface, possibly black or dark grey. Overlaid on this are several thick, parallel diagonal lines in a light grey or off-white color. These lines intersect to form a grid-like pattern of diamond shapes. The lines are spaced evenly and run from the top-left towards the bottom-right.

In what ways can a high school student find himself? At LHS each student is offered many ways to find his real self. Athletics and music play a major role in the desire of students to fine themselves. Students are challenged to set goals and search for their capabilities. Many hours of finding out who they really are come together in magic moments of pride and satisfaction. When the song is sung just right, and the lay-up made in perfection, finding oneself is brought much closer.

A Time to Find

The Volleyball Team didn't have such a bad season this year. They had a 2-9 record in conference and non-conference play. The team achieved this by beating Turtle Lake and the newcomer to the conference, Somerset. The team traveled down to Hudson on Monday, Oct. 24 for a six team tournament. Danette Morten was named all conference this year. The team was led by four seniors, the rest of the team consisted of seven juniors and one sophomore.

Turtle Lake, Frederic and Grantsburg were the teams that the Junior Varsity beat to make their record 3-7. The team had an easy victory over Turtle Lake but fought hard to beat Frederic and Grantsburg. The team consisted of seven freshman and five sophomores.

This year, as predicted, the football team was more aggressive and won three games this season. The first game started off the season with a well played victory over Clear Lake. The second victory didn't come for some weeks, but in the rain and cold we beat Frederic at their homecoming game 14-6. The last game of the season came against Unity. With high hopes and winning spirit we beat them and ended the year fired-up for the '78 season.

This year's captains, Ted Fjorden, Reuben Buck, and Tracy Asper, are pictured at top right.

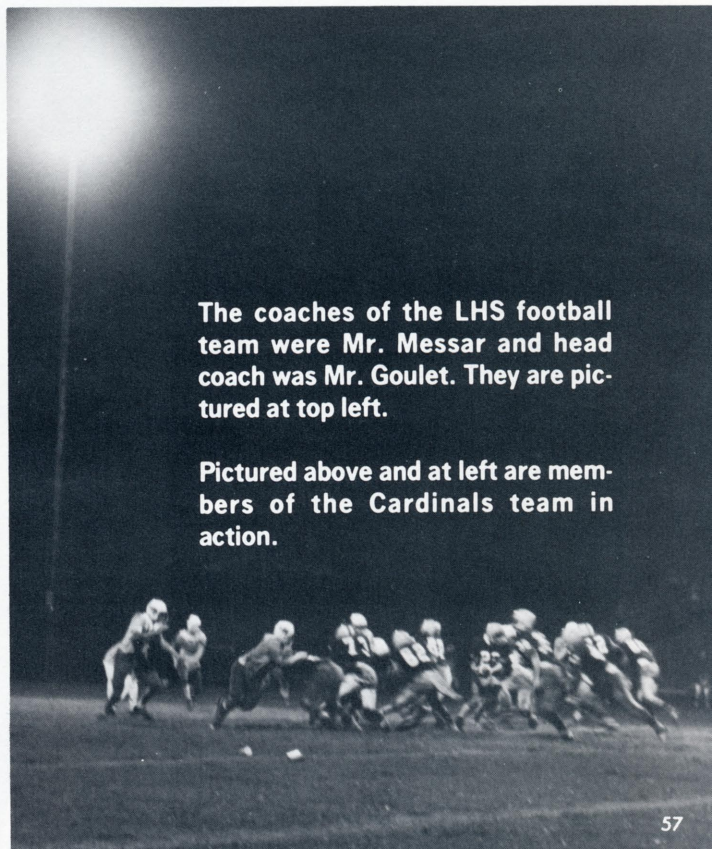

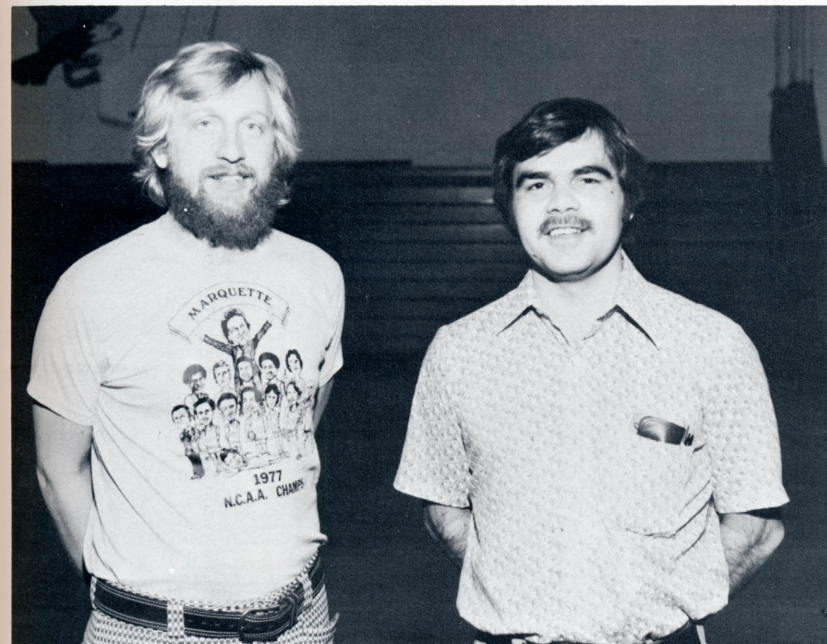

Jim Langel, Gene Melin, and Mike Seager, at right, were this season's managers.

Hard work and determination under the coaching of Tom Goulet and Marty Messar paid off in the '77 season. The well-seasoned squad put their losses behind them, went out and defeated their closest rivals; Frederic and Unity . . .

Girls' Golfers Tee-Off at State

Lawsonia Links was the sight for the 1977 WIAA State Fall Golf tournament. The entire girls' golf team participated in the state tourney.

The team won the trip to state by placing second to Chetek in Sectionals. The girls entered the tournament in eighth place, but finished in seventh after defeating Chetek. The team lost seniors Karen Chaffee, Robin Kreutzian, Loraine Rebrovich, and Linda Redman after the '77 season. Redman was often medalist throughout the regular season and tournament play. She had played the '76 state golf tourney. Junior varsity golfers for the year were Jeanie Cogswell, Jean Walker, Gina Boatman, Joanne Walker.

Luck Tracksters

The boys' track team put in a season of good hard work this year with practices starting on March 28. The meets ran through most of May. Some of the strong points of the team were, Pole vaulting and the low hurdles, among other things. Because of the construction going on at the school, there were no track meets held here this year.

Why do emotions enlarge themselves when special events are encountered? For every boring, uneventful day in the 77-78 school year, there was a special day to equalize the days. There were days when something made one laugh so hard they cried, or visa-versa. Hard work was put into many events, and when all was said and done there was that time to laugh or cry. To the seniors the 77-78 "last" school year aroused many moments of laughter, and certainly those of tears.

**A Time to Cry;
A Time to Laugh**

Starting with the picture at the right, the pictures are identified in order clockwise. The student council was the committee in charge of the Homecoming events, parade, pepfest, and dance. Attendants were chosen by their own classmates; freshman — Brenda Lunsman, sophomore — Sue Nielson, and junior — Sharon Morales. The winning float was credited to the junior class. Luck lost to Osceola in the Homecoming game, but this picture is an example of the fight that was given. Coach Goulet talks about the game with Alan Tomlinson. Homecoming king Reuben Buck and candidates Sharry Strenke, Tammy Stinson, and Deb Melin. Tammy was crowned 1977 Homecoming Queen.

LHS Has a "Wildfire" Homecoming!

Luck's 1977 Homecoming had all the marks of being a wildfire homecoming. In many aspects Homecoming was just like every other Homecoming, building floats, decorating the gym, dress-up days, the pep-fest, parade, the game, and the finale — the Homecoming dance with music by Freefall. This Homecoming was an exceptionally rowdy one, the seniors with the realization of their last Homecoming, and the freshmen overly enthused about their first attempt at the fun fall event.

Pieces of April

The Spring fashions got off to a good start this year thanks to the FHA Style Show, which was held on April 13. Fashions of today were shown, along with clothing from Linda's dress shop. A few of the girls modeled styles from the past.

Shown in the picture at the top right of the page are the old officers; Rochelle Stevens, Andrea Erickson, Rhonda Fjorden, Kathy Jenssen, and Kelly Olson. The FHA advisor is Mrs. Winchell, in the above left picture. Above at the left is showing the new and old officers. Kathy Jenssen, Andrea Erickson, Rochelle Stevens, Lisa Pedersen, Kelly Olson, Carol Clausen, Rhonda Fjorden, Gina Boatman. The girls holding roses are the new officers.

The FHA also put on the annual Christmas tea. It was held on December 15, 1977. The theme for the tea was 'Winter Wonderland.'

Sweet Presented by

Liz Memmer, Kelly Olson, Jeff Jensen, Ron Steen, Joe Nelson and Jill Sandstrom, shown at right, were chosen as the prom committee for the 1978 Junior-Senior Prom.

They got things off to a good start by letting the class chose the prom theme — 'Sweet Emotions' and by deciding on the band 'Starflight' in the fall of the school year.

When the time came to decorate, a few problems came up. The wire was too thin, some of the crepe paper didn't come, then two of the colors ran out. But magically during that week the gym was changed into a sidewalk cafe and a starry punch garden with shades of blue all around.

Five girls and five boys had been chosen as candidates for the Junior King and Queen. The Friday before prom, the Junior and Senior classes voted for the King, Queen and attendants.

Picture at right is of the grand march practice.

Emotions' Class of '79

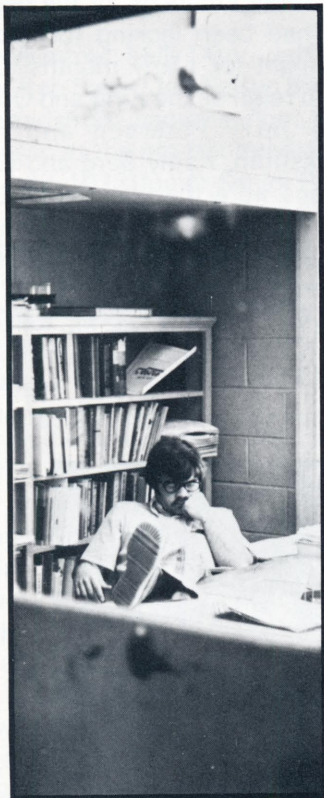

On April 29 the gym was filled with the 'Sweet Emotions' of the people who had been looking forward to this night for many months. Chosen to reign as the King and Queen were Jerry Petersen and Kris Swerkstrom. Kathy Berg and Reed Stevens were the attendants. Left: the prom royalty; Bill R., Alan T., Jacque H., Reed S., Jake F., Kris S., Karen C., Reuben B., Jerry P., Sharry S., Kathy B., Liz M., Kelly O., Sharon M. Crown bearers were; James Marek, Bryce Hacker, Heather Olson, Stephanie Carroll.

Karen Chaffee, Reuben Buck, last year's Junior King and Queen. Sharry Strenke, Jake Foerst, this year's Senior King and Queen.

“Etc . . .”

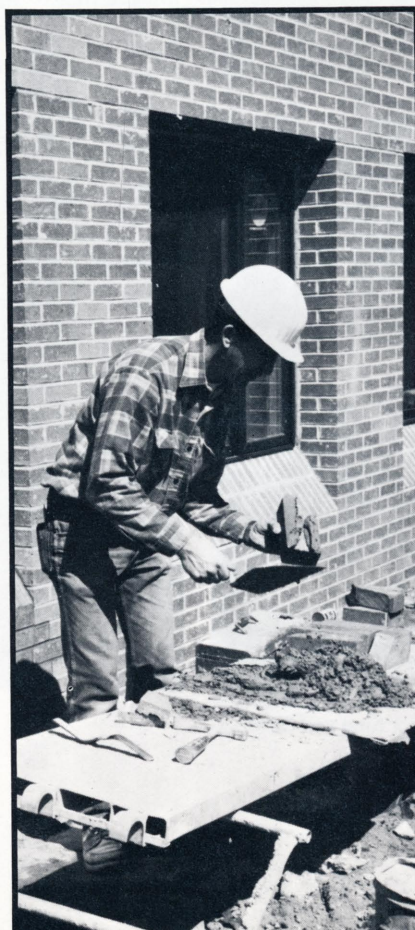

Monotony

A descriptive word of the 77-78 school year might have been monotony. Study hall games were discontinued, clean-up day cancelled, pep fests were few as well as dances and lyceums. When efforts were made to break the monotony, students responded well. The spirit is present in the student body, but initiative must be taken to activate the spirit. By striving to better the routine day, students would naturally take advantage of their extra-curricular activities.

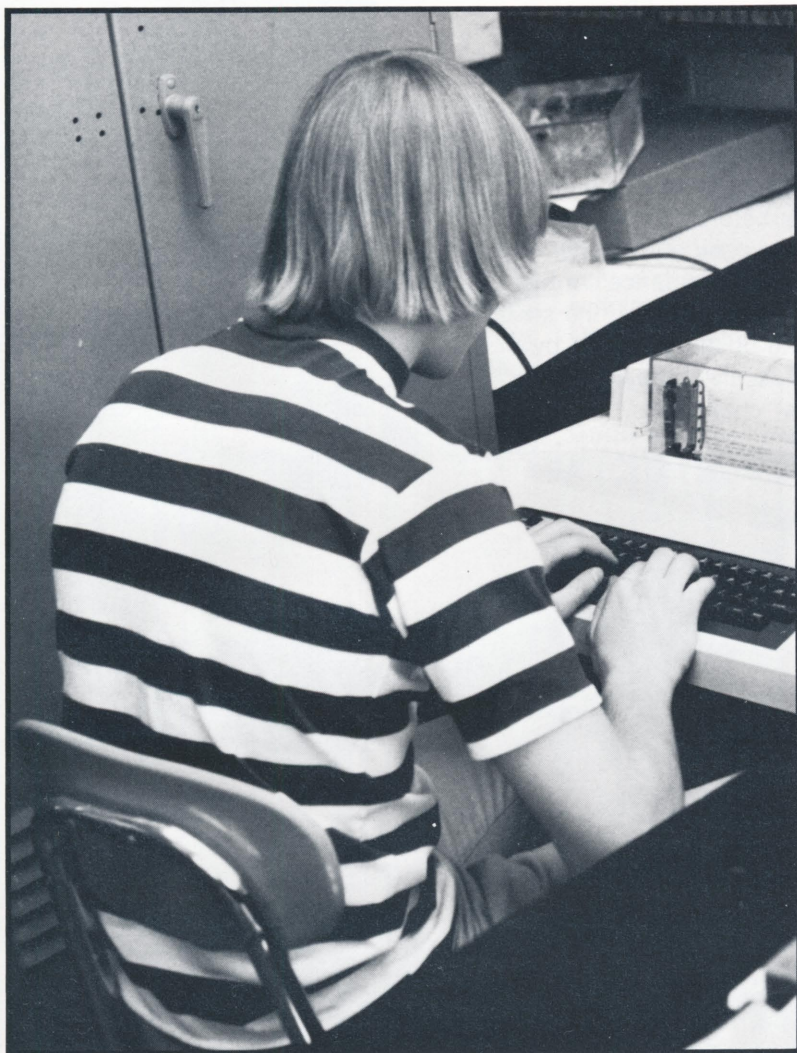

Destruction . . .

Destruction and vandalism in LHS this year might not have been as serious as previous years but the problem remains. The 77-78 school year was destructively marked various times, by broken mirrors, windows, and a toilet was blown off the boys' bathroom wall.

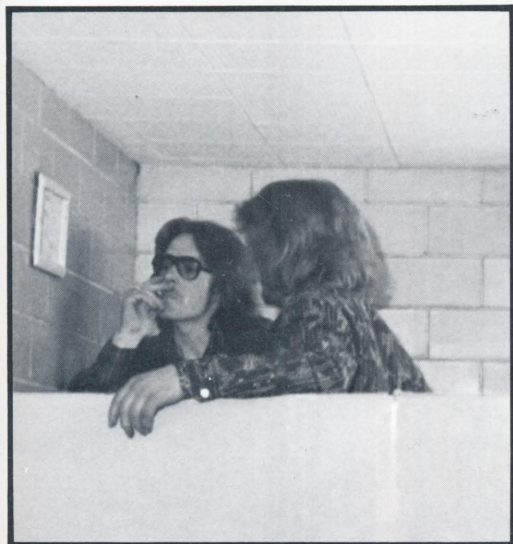

Construction

Construction affected the entire atmosphere of the LHS students and faculty. There was a constant din of jack hammers, block layers, and truck drivers. Adjustment and readjustment had to be made over and over again. Inhabitants of LHS put up with a lot of noise, inconsistent heating, and many inconveniences trying to enter and exit the building. The “cause” was evident, and the result was worthwhile.

Advancement . . .

Advancement came in many ways to LHS in the 77-78 school year. Many advancing steps were taken in the correlation to building the new part of the school and many were made in conjunction to athletics at LHS. One advancement was the addition of a computer terminal to the science and math department. The terminal is connected by telephone systematics to the computer center in River Falls. The terminal provided students with an added dimension to math and science.

Smoking . . .

The smoking problem at LHS rose to an all time high this year when the "corner" was indefinitely eliminated. Many times during the school year the smoke not only filled the high school bathrooms, but also the halls. Litter and unsanitary conditions forced students to use the elementary and locker room bathrooms. Noon hour brought about persons and smoke filled bathrooms.

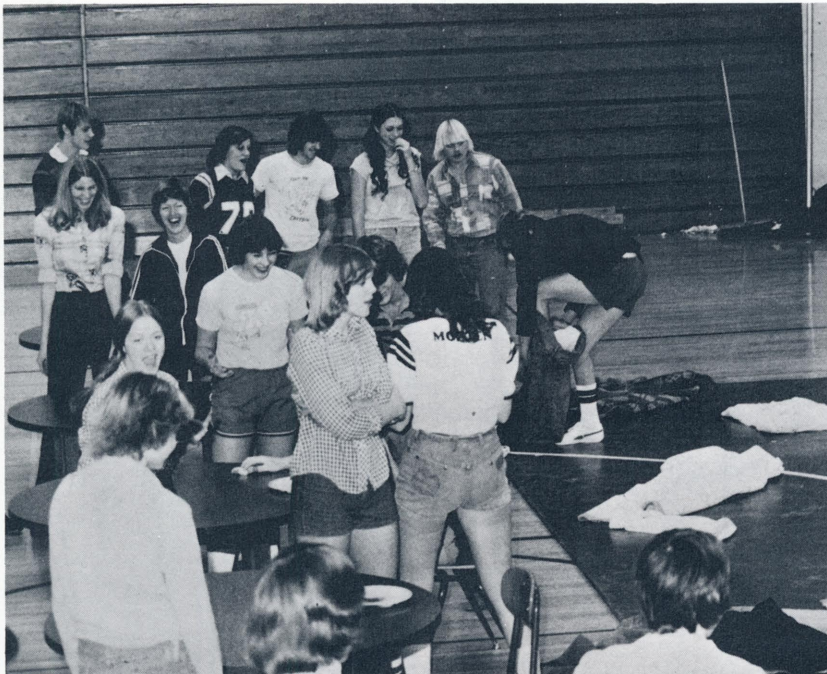

L-Club Sponsor

“Almost Anything Goes”

A committee sponsored by the L-Club and consisting of Karen Jensen, Danette Morten, and Loraine Rebrovich, created an “Almost Anything Goes” contest that was held the day before Christmas break. Each class picked their own teams to compete against the other classes and the faculty. Everything from tricycle races to a dance contest was part of the morning-long event. As the final event began, the seniors were ahead in total points, but, they lost the obstacle course by three seconds to the juniors. So, the class of '79 received the honors of being the first class to be “Almost Anything Goes” champions.

Seniors Awarded

Teachers, advisors, administrative personnel and coaches presented graduating seniors with plaques, awards, certificates and scholarships during the annual senior awards program at the Luck High School gymnasium Monday, May 15.

Following is a list of the recipients of awards presented:

We'll Never Pass This Way Again . . .

On Sunday, May 21, 1978 forty-three students became free from their ties to Luck High School. Yes, they graduated. In reality the only ties they lost were the ones that demanded their presence in class at 8:22½ a.m., they are still a part of LHS and always will be.

The class of '78 chose a white carnation and a red rose as their class flowers, and their class motto was; "To discover new oceans you must have courage to lose sight of the shore." Valedictorian Alan Gursky gave their farewell address speaking about the changes in and around LHS. Linda Redman, Salutatorian, spoke about growing and the people who helped the seniors grow in her welcome address. Karrie Melin was voted class speaker, she addressed her class dealing with the sea of life and the voyage that was about to set sail. The soloist for the commencement exercises was Linda Berg, she sang the "Theme From Mahogany."

Various awards and scholarships were given out at the exercises. Karrie Melin received the VFW Award. Linda Redman and Alan Gursky received the American Legion Awards. Kathy Jenssen and Danette Morten received the Burton Carlson/Roger Steen Memorial scholarships.

Perhaps Sunday, May 21, 1978 was the last time the class of '78 will ever be together in its entirety, but the friendships that grew and the memories that were gathered will never be forgotten.

That's it! The record of the '77-'78 school year is complete. This yearbook was made for you, and if any part of it strikes you in a happy, sad, or mellow mood the Horseshoe staff has done its job. The most important part of this yearbook is the friendships that have been made and recorded. Friends are the basis to fulfillment in life. Read on for the wise words of Arthur C. Benson . . . "Because of a friend, life is a little stronger, fuller, more gracious things for the friend's existence, whether he be near or far. If the friend is close at hand, that is best; but if he is far away he still is there to think of, to wonder about, to hear from, to write to, to share life and experience with, to serve, to honor, to admire, to love." Hopefully this yearbook, has given you the memories necessary to keep your mind alive when thinking about the '77-'78 school year and your friends.
