Another school year has come and gone, and there are many memories left to think about. We can't forget the first wrestling matches of Luck High. They were really exciting! How about the first time the Pompon girls performed. If I remember right, there were a few casualties that night during the performance. Something else that was new for the girls, was the gym teacher, Miss Walsh! She got a girls volleyball team together, advised the Pompon girls, and taught gymnastics in Phy. Ed. and G. A. A.

The big event during basketball this year was "Basketball Jones". That was the first time Luck has had a basketball homecoming.

Then before we knew it, school was out and 3 big months of vacation were ahead.

Now when we look back and think of all the fun times we had, I guess we can summarize it by saying, "It was a very good year!"
Well Dedicate . . .

this annual to Mr. Howard Jorgenson, who retired after 32 years of service in the Luck schools.

Many students, past and present, remember the guidance Mr. Jorgenson has given first as a teacher and then as a principal in our district.

The annual staff wishes you much happiness in your future.

1974 JUNIOR-SENIOR PROM HELD TOMORROW

Jr.-Sr. Banquet
Guess what’s happening on April 27 at 7:00 p.m.? You’re right, the Junior-Senior Banquet. The banquet will be held at Luck Lutheran Church. The cost for anyone not a Junior or Senior is $2.50. This is not a large sum of money considering a delicious meal of roast beef was served. After everyone finished eating, the Senior Will, read by Brad Hengtgen, and the Senior Prophecy, read by Joyce Mattson, will be the entertainment. The master of ceremonies is Paul Petersen. I’m sure many of you will attend just to see this “Star Basketball Player” perform in a different setting. I hope many of you make this 1974 the Jn
