Success is to remember what you possess in this world will be found by others on the day of your death.

The purpose of life is not only to be happy, it is to be useful, honorable, compassionate, to do each deed with love, to have it make some difference that you have touched the lives of others.

Success is to love and laugh often and much!

Robert Clifton is a former student of Luck High School and returned in 1961 to see what it's like from the other side of the desk. His hobbies include cross country skiing, hunting, and music. His most memorable moment was when he cut his finger in a lab right after explaining to a class how to do experiments without causing an accident. Mr. Clifton teaches science and general math.

Sheila Brom has been our girls physical education teacher here since 1975. She enjoys cross-country skiing, crocheting, embroidery, swimming, racquetball and jogging. Teaching algebra is another of Miss Broms jobs along with coaching varsity volleyball and girls track.

Gwynn Anderson teaches learning disabilities and coaches B-squad volleyball here at Luck. She is originally from Illinois, and started teaching here at Luck in 1976, two weeks before the fire. She enjoys all types of skiing and needlework. When we asked for an embarrassing or memorable moment she said "they are too numerous to list!"
William Grell came to Luck as our Guidance Counselor in August of 1977. He attended college at LaCross and Menominie, Wis. and also Pontifical Gregorian University in Rome, Italy. He stated his most memorable moment as "I will never forget performing under the guise of Elmwood Blues, nor will I ever forget the performance of my partner, Smellgood." (Remember Homecoming pepfest?)

Tom Goulet. If he could change one thing about Luck it would be organization. It seems everyone wants the same things in this school, but all groups work separately instead of together to achieve these ends. He teaches Social Studies and Contemporary Problems and advises the L-club. In his free time he enjoys playing golf and being with his family.

Andy Dolny attended high school and college in Bemidji, Minnesota before coming to Luck to teach in 1951. His most memorable experience was when he took the boys basketball team to State in 1973.
Coaching Wrestling is our mathematics teacher's most memorable and embarrassing experience at Luck. This was Mont Hallberg's first year teaching here, and he said he would like to see students have more respect and spirit towards their teachers and school. He enjoys many sports, camping, hunting, and playing the piano.

David King is a graduate of Durand High School and attended both Florida State University and River Falls, getting a degree in Agricultural Education. He is presently working on his Master's degree in Science and teaching. His most embarrassing moment was when a cow "let him have it full force" while doing some veterinary work, with students present.

John Kinzler teaches Industrial Arts and Drivers Education. His most embarrassing moment was Running out of gas with the Drivers Ed. car five miles from school. He enjoys bowling, fishing, camping, and woodworking, and has taught here since 1971.
Hunting, fishing, and snowmobiling are some of our business education teacher's hobbies. If Donald Lake could change one thing about Luck he would shorten the day to 7 periods so some study halls would be eliminated. He attended Belview High School and went to college in Minnesota, Wisconsin, and Nebraska. He started teaching here in 1961.

Since 1975 Marty Messar has been teaching chemistry and biology here at Luck. He coaches girls basketball and his most memorable moment is coaching the team that went to state in '76. Besides basketball, he enjoys cooking, golfing, cross-country skiing, and reading. He would like to see a change in student attitude about themselves.

Jane Miller, our band director, thinks more students should have more opportunity to participate in extracurricular activities after school, besides the athletic activities. She has had some memorable moments such as receiving 1 doz. carnations from the '78-'79 pom-pom squad, and getting first from all three judges in the April, 1979 band contest. She enjoys reading, sewing, canoeing and many other things.
Barbara Petersen graduated from Barron High School. She attended Augsburg and University of Wisconsin — River Falls. She enjoys walking, piano and organ music, reading, and cooking. Her most memorable moment was the cake and baby gift she got from the "82" freshmen.

John Nygren attended college at the University of Minnesota and the University of Wisconsin — River Falls. He came to teach at Luck in 1950 and is presently the LHS choir director. His most memorable moment was when he was nominated for the State School Music Association President. He enjoys painting and photography.

Stan Miller started school in Grantsburg grade school in 1947 at age 6. He graduated in 1960. He enjoys softball, hunting, stamp collecting and camping. He teaches history and is the advisor for stamp club. His most embarrassing moment was his skirmish with Minnesota deer hunters in the Luck parking lot Nov. 9, 1969.

Mr. John Nielsen, our new school psychologist, went to high school at Unity, then received his B.A. and M.S. at River Falls. He came to Luck because of the one-day-a-week job opening, which fit his schedule perfectly. The change he would like to see here would be "More pride in learning."
Mr. Ed Rebrowich, “Reb,” attended Aurora High School and St. Cloud State College before coming here to teach in 1965. He enjoys golf, bow hunting, and fishing. If he could change one thing about school here he would change the boys’ locker room. He teaches boys' physical education and health.

1979-80 was Miss Debi Streuli’s first year teaching home economics here at Luck. Her hobbies include snow skiing, fishing, sewing, and crocheting, as well as advising Pep Club, FHA, and the Junior class. One of her memorable moments here at Luck was “the first time my Foods class used one of the new gas ovens it started on fire.” One thing she would change about Luck is, “the door to the home-economics room wouldn’t be at the top of the stairs.”

Ester Schwartz attended Frederic High School and River Falls College. She teaches some English and is our school librarian. She enjoys golf and being a spectator for school activities. She has been teaching English and has been a librarian at Luck off and on since 1961.

Miss Beth Sondergaard says a good change at LHS would be to instill school spirit and school pride — not only during a winning sport season, but all year round. She teaches English and advises the cheerleaders. In her spare time she enjoys horseback riding, photography and all types of needlework. She attended school at Texas A&M and started teaching here in 1977.

Memories are made of things;
That happen every day.
Memories as we live them,
things we do or say.
Little bits and pieces,
of laughter mixed with tears
Paragraphs and pages
Written through the years.

The friendships we remember
Mistakes that we regret
The ending of a love,
You could not forget.

We can't erase the sadness
Or edit out the tears
We can't undo the wrong
We can't relive the years.

Oh come on now, you're not really going to take it, are you?
Oh brother! You can't go anywhere without someone taking those darn pictures.

May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face. May the rains fall soft upon your field and until we meet again may God hold you in the palm of his hand.
There are two ways of spreading light; to be the candle or the mirror that reflects it.

A few of the Senior girls take time out of phy-ed for that "special picture"
Don't walk in front of me,
I may not follow.
Don't walk behind me,
I may not lead.
Just walk beside me,
And be my friend.
Face the sun and the shadows will fall behind.

The Freshmen began with a problem as their Homecoming float blew over while taking it out of the Shop for the parade. They fought back and won the Softball tournament, along with some help from the Juniors and Sophomores.
The Homecoming dance and Basketball Jones dance are only two of the responsibilities of Luck's Student Council. This year they also worked on submitting a proposal to the School Board concerning early graduation for the Seniors, and donated money to the L-Club to help pay for the purchase of carpet for the new weight room.

Deadlines . . . Deadlines . . . Deadlines! Deadlines are one of the most important worries of the Yearbook staff. The biggest change in the school newspaper this year, was the change into using the school’s press. It was quite an adventure trying to get the pictures to come out right, and the challenge of doing the printing was a new experience for most of the staff. After mix-ups, errors, crazy articles, and many other problems, Mrs. Petersen, the advisor, helped the staff bring out the news each month. The best efforts of editors, writers, typists, photographers, and many others all went into creating a successful “Cloverleaf.”

PEP CLUB

Cheering, making posters, backing the teams, and boosting school spirit are among the duties of the Pep-club members.

This year the Pep-club did a great job of keeping our school spirit soaring. They stood behind the teams when the going was rough, and cheered them on to their hard-fought victories. They also initiated a “Guardian Angel” program that did not prove to be successful — at least not this year.

L-Club is very active here at LHS. They sponsored class softball tournament, Almost Anything Goes, broomball tournaments, the faculty basketball game, a jogathon, and a weight lifting contest. They purchased a Semester Course on Student Managers and Trainers, Athletic Evaluation Books, Nutrition Unit for School, a leaper for the weight room, and a banner to be hung in the school. Over the past year, the L-club's active membership has doubled in size.

The Luck F.H.A. chapter was extremely busy this year under the supervision of a new advisor, Miss Streuli.

Representatives from Luck were sent to the Fall Rally at Rice Lake, and a March of Dimes conference in Menomonie.

Christmas came, and the annual Christmas Tea was again a huge success. Santa Claus even made a brief appearance! Then Spring rushed in, and F.H.A. members turned their thoughts toward the Spring Style Show and the Spring Rally.

Fund-raisers for the year included selling stuffed animals at the beginning of the year, and carnations on Valentine's Day. Both proved to be good money-making projects.

Travel seemed to be the name of the game for the Luck F.F.A. Chapter this year. Beside sending Sandy Lehman, Steph Pullin and Brian Randall as their delegates to the National F.F.A. Convention in Missouri, the group as a whole traversed to New Richmond, River Falls, and Ladysmith for various workshops, fairs, and contests. "Country Today" magazine and fruit were sold as money raising projects.

"Slow down!" "More facial expression." "Enunciate more! Get those final word endings out." Sound Strange to you? Well, it wouldn't if you were in Forensics! These are just a few of the "helpful hints" the students get as they prepare for the different contest levels.

This year Luck was host to St. Croix Falls, Osceola, and Unity, when the Sub-district contest was held here on Friday, March 9th. Though student interest in Forensics at Luck was low this year, the school's three representatives each earned an "A" at the Sub-district level. These girls were:

Ann Langel . . . Four Minute Speech
Gina Boatman . . . Prose Reading
Cindy Parker . . . Demonstration Speech

SKI CLUB AND STAMP CLUB

Nothing could stop these loyal skiers this year. Monday after Monday they braved the cold and snow and made the trek to Trollhaugen. Tuesday mornings were full of reports about getting stuck, wiping out, and hitting trees or people. Even Mrs. Petersen got into the act by breaking her arm!!! Despite many times when Monday nights were scheduled for other activities, most of the junior high and high school students that attended had a great time.

The stamp club's year was heightened by a trip to the stamp show in Minneapolis. The member's interest in stamp collecting was heightened by the trading, selling, and discussions that went on between the philatelists at L.H.S. Selling at basketball games and supporting the school in other ways like making banners and posters were also a part of the year with the stamp club.

FOOTBALL — 1979

When looking at the team's season record of 1 — win, 8 — losses, you can see that it was not a winning one. But, don’t let that fool you. The boys did a lot of hard work and gained a lot of good experience, and all are looking for a successful season next fall.

The team’s one win was a very exciting one against the Siren Dragons. The Cardinals defeated them by a wide margin of 22-0.

PLAYERS IN ACTION!
The B-squad volleyball team had a trying season. They learned a lot of valuable skills under the coaching of Mrs. Anderson.

Even though their final record was 2-10, the players spirit stayed high and all felt it was a rewarding season.

VOLLEYBALL

"The season went very quickly. Even though we didn't have a winning season, it was great in the aspect of having good team spirit," were coach Brom's comments on the girls volleyball season. Their strong points this year were improving on ball receptions and covering the spikes. Team communication was also a strong point. Coach Brom stated, "Personally, I feel each of the players should be commended for her enthusiasm, team unity, and giving volleyball her all."

Val Ellefson was named to All-Conference team this year and Val Ellefson and Rachelle Stevens were co-captains. "Volleyball was a pleasant experience this year and I hope each member has something good to remember from the season as well.

If you're the type of person that likes to watch action-packed and suspense-filled sports, the Boys Varsity Basketball games were the place for you to be this year.

The guys started out slow with only a few wins in the first half of the season. Apparently they decided to rev up their cardinal power when they steadily increased their pace to end the season with a 7-8 conference and tournament record. It just goes to show that now that our Cardinal Power is on the rise, everyone had better step aside!
The five sophomores and six freshmen, under the coaching of Mr. Petersen, battled their way to many exciting victories this year. They had the best record in school with fifteen wins and only one loss through the whole season! With this team's skill and enthusiasm the future looks very bright for boys' basketball.
The Girls’ B-squad worked hard this year to post a 10-6 record. Mr. Brovold taught them many new skills and plays, as well as encouraging them through games that came right down to the last buzzer. He was sadly missed by the entire team after his death in February. By sticking together they managed to have a lot of fun as well as a successful season.

GIRLS VARSITY BASKETBALL

This year the Girls Varsity Basketball Team started off the season in a pretty tough position. Where were all the upperclassmen with the experience?

The answer to this question was answered as the season progressed. The girls were getting the experience and confidence they needed and it was soon showing in their games; the team started inching its way up the scoreboards, gymnasiums were getting filled with tension, and the Cardinals eventually won a few games. At the end of the season they received the Steve Brovold Memorial Sportsmanship Plaque for having the team with the best sportsmanlike conduct in the Conference.

Although the A-squad team didn't have record-breaking scores and didn't have all the experienced players that were needed, they gave all they could to make their team something to be proud of — and succeeded!
WRESTLERS

The wrestling team this year was a young team with no seniors, five juniors, two sophomores and four freshmen. They won three matches this year against Prairie Farm, Mondovi, and Rush City. Working hard under the coaching of Mr. Hallberg and Mr. Van Gundy, they had many exciting matches. The junior heavyweight, Bill Lehman, made it to regionals this year in tournaments, and with the experience our other matmen are getting at LHS, it looks like a hopeful future for wrestling.

This year boys track started out great with a lot of participants, but as the season ran on many jogged out on the remaining 11 tracksters. This left the team in a tough spot with the guys attempting more events at meets and leaving them less time to improve on their own events.

The track team didn’t come out on top at this year’s meets, but they certainly came through.

GIRLS TRACK

The girls track team was full of younger members this year — but that didn’t stop the girls from tearing up the tracks! Sophomore Kristin Rowe, broke records in both the mile and the two mile run.

All runners sprinted as fast as they could, and participants in field events gave their best shot to put together hard-earned victories at a few meets. With only 1 Senior leaving this year, the girls’ future is looking good.

BASEBALL

The new pitching machine was a definite asset to the Cardinals as they started the season with two non-conference wins. Experienced players, additional team members, and a new coach signalled a good year for the Cardinal team. This year's players were as follows: Dallas Schauls, David Melin, Doug Lehmann, Bruce Rasmussen, Jerry Sorenson, Ted Neely, Peter Dau, Bill Anderson, David Lake, Russ Kunze, Cory Fjorden, Rian Stevens, Tony Schultz, Pat Bemis, Brad Jerrick.
BOYS' GOLF

Our golf team had a fresh start this year with only one returning letterman, Kent Petersen. The Freshmen have started, and along with the help of older team members and veteran player-coach Dolny, they are really shaping up. With our golf team one of the youngest in the conference we kept up our high standard of playing and shared the conference top score with St. Croix Falls. In the regional play-offs our team didn't fare so well, but we had an individual player who qualified for the sectionals, Kent Petersen, who shot an 84.

GIRLS GOLF

The loss of Kelly Kreutzian and Joanne Walker midway through the season put the girls golf team at a definite disadvantage. Three matches were played and all three were lost—but the girls are looking forward to a comeback next year.

POM-PONS

With only three returning members, the Pom-Pon squad got a lot of new members and a lot of new ideas this year. Their first performance was for the competition at U.W.—Stout, and though the girls did not place they came back to Luck with many innovative techniques.

This year's performances included routines to rock and roll, disco and popular music. The year's grand finale was a spectacular flashlight routine done to "Knock on Wood."

Homecoming Royalty
S-P-I-R-I-T! Luck Students showed their enthusiasm during 1979 Homecoming Week. Hats, banners, posters, floats were seen everywhere during the week. Everyone got into the act this year, showing spirit that hadn't been seen for awhile, and Dress-up Days and the Pepfest were deemed huge successes. King Phil Memmer and Queen Lisa Pedersen presided over the Homecoming Parade and Dance.
HARVEY

On Friday, November 2nd, at 8:00 p.m., the Luck Drama Club presented a three-act comedy called "Harvey."

The play was about a man named Elwood P. Dowd. No one else can see the rabbit and his sister and niece are convinced that he is crazy. His sister, Veta, tries to commit him to a mental institution, but a misunderstanding by the doctors cause Veta to be committed herself.

A FATE WORSE THAN DEATH

"A Fate Worse Than Death" by Dustin Weed was presented as the Spring Play by the Drama Club. Cassius Carstairs tried to swindle Rodney Ramsgate out of a fortune. Beautiful, innocent, Carlotta Flower was used as a pawn in Carstairs' dastardly plot, but Burgess Lendahand, our faithful hero, and Slick Carter, the famous detective, foiled the villain's plan. Curses!

The cast and crew had a busy time before April 28 planning and rehearsing for this production. Through all sorts of slight problems, (like discovering the pie for the villains face wasn't made 30 seconds before it was to be brought on stage) to somewhat major disasters, (would you believe Slick Carter and Cassius broke out into roaring laughter during the arrest, or Burgess not showing up for makeup until 10 minutes before curtain time?) the cast and crew had a successful night.

The annual FHA Christmas Tea was as Christmasy as ever. "Santa's Workshop" was the theme and the decorations, cookies, and music helped those who attended really get into the Christmas spirit. Miss Streuli was the "head elf" who got all the FHA girls and home ec. students organized for this event.

HEAVEN TONIGHT

Juniors were busy the week of April 21 getting the big gym ready for their special evening. A star ceiling made from crepe paper harmonized with the theme of "Heaven Tonight." As usual, the Prom did not go without its share of problems. Friday evening while decorating, the Juniors were told their band cancelled out. Another band was found, and on Saturday the dance was able to start on time. King Kent Petersen and Queen Marney Swerkstrom presided over the 1980 Junior-Senior Prom. Julie Henriksen and Jorge Fernandez were Senior Queen and King.

WINTER CARNIVAL PAGEANT

The theme of the 21st annual Winter Carnival Pageant was "Memories." The eight contestants led us down memory lane as they enacted historic events that took place in the town of Luck. Starting with the arrival of the Danish immigrants and their customs, the girls took us through time from the early 1900's to the 1960's with the custom of building ice castles during Carnival week.

ALMOST ANYTHING GOES

This year the Juniors triumphed over the Almost Anything Goes contest; but not without a struggle from the other determined classes. The ice cream eating contest was a crowd-pleaser even though some of the contestants’ stomachs didn’t agree with the crowd. The 3-legged race was a breeze for the Sophomores and the Juniors set a new school record in “building blocks.” The Seniors and Freshmen also did a terrific job with tons of enthusiasm from the crowd. The exciting events and team support added up to a great victory for all.

Sophomore class struggles in the “tugs of war.”

CLUB-FACULTY GAME

This year the women’s faculty members formed a team to join the men in the annual staging of the L Club-Faculty game. Female L Clubbers dealt the women a sound defeat, but the male faculty members made up for the loss and pulled their team to a win.
CLASS OF 1980

On May 18, 1980, forty-two Seniors culminated four years of hard work at LHS by receiving their diplomas. Though this was a happy day for all, it also had its sad overtones. The realization hit that they would soon be going their separate ways.

Pastor Paul Anderson read the invocation and benediction. Speakers for the class were Val Ellefson, valedictorian; Rhonda Fjorden, salutatorian; and David Melin. Julie Henrikson and Rhonda Fjorden received the Burton Carlson/Roger Steen Scholarships. Andrea Erickson and David Richter received the American Legion Awards. Phil Memmer received the Steven Brovald Memorial Scholarship.
